

**Attn: Montgomery County Council**

**RE: SRA 25-02**

August 11, 2025

Dear Esteemed Councilmembers.

I support Subdivision Regulation Amendment 25-02, which will make it easier to build more homes, in more places, for more budgets.

This bill would be particularly helpful to seniors who wish to stay in their own neighborhood and house, by enabling them to make their property holdings – often a prime source of savings -- more liquid without having to move.

I urge you to vote for it.

Many thanks.

Best wishes,

Tony Byrne
