Dear Council members,

I am writing to support passage of the above-mentioned bill. I am a 74-year old cyclist who cycles mostly in Clarksburg and Germantown. Preventing vehicles from stopping, standing or parking in bike lanes will help make cycling safer. There is much more to be done to make it truly safe to ride on roads other than quiet neighborhood streets, but passing this bill is an important step. In the meantime, I will continue to feel safe on my bike by riding only on quiet neighborhood streets, off-street trails, and sidepaths.

Thank you for your time,

Kendra Biddick
