

Testimony on ZTA 26-01 Data Center Commercial Uses - Data Center

March 3, 2026

Alma Thompson  
SILVER SPRING, Maryland

me and my roommate pay hundreds of dollars more in electricity than we used to. we do not need more data centers (which are exempt from sales tax and employ only double-digit numbers of people!) driving up costs for us. stop this now there is a crisis.

Thank You,

Alma Thompson
