

Testimony on ZTA 26-01 Data Center Commercial Uses - Data Center

February 26, 2026

Pat Wellington  
Silver Spring, MD

Data centers might mean short term money for the county but they can do a lot of long term damage as seen in Virginia. We need a moratorium to consider all the possible problems, especially to our water supply. Water is precious and when it is gone, it is gone.

Thank You,

Pat Wellington
