**SUBJECT:** Amendment to the Comprehensive Solid Waste Management Plan: Collection Subdistrict Transfer

**Background**

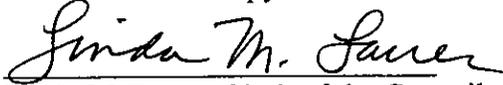

1. State law (Sections 9-503 and 9-515, Environment Article, of the Maryland Code) requires the governing body of each County to adopt and submit to the Maryland Department of the Environment a ten-year plan dealing with solid waste disposal systems, solid waste acceptance facilities, and the systematic collection and disposal of solid waste.
2. State law (Section 9-503, Environment Article, of the Maryland Code) provides that a governing body may adopt and submit solid waste management plan amendments to the Maryland Department of the Environment at any time.
3. On June 24, 2008, the County Executive transmitted an amendment to the Comprehensive Solid Waste Management Plan which would remove the current language in Section 3.2.2.3 Collection Subdistrict Transfer and replace it with the language, "Any procedure to expand, reduce, or otherwise revise the boundaries of a collection subdistrict may be specified by Executive Regulation."
4. A public hearing on the proposed amendment was held on July 29, 2008.

**Action**

The County Council for Montgomery County, Maryland approves the following resolution:

The Comprehensive Solid Waste Management Plan for the Years 2004 through 2013 is amended to remove the current language in Section 3.2.2.3 Collection Subdistrict Transfer and replace it with the following language: "Any procedure to expand, reduce, or otherwise revise the boundaries of a collection subdistrict may be specified by Executive Regulation."
