General Provisions

- 1. Purpose and Effect: This Cable Communications Plan constitutes the County's formal direction for the use of resources required to be provided under Sections 7 and 8 of the Franchise Agreements with Comcast and RCN; Section 4.1 of the 1998 Cable Franchise Transfer Settlement Agreement, assumed by Comcast from Prime Communications Potomac, LLC between the County, Prime Communications, and SBC Media Ventures, Inc.; and Sections 3, 6, and 7 of the Franchise Agreement with Verizon.
 - In FY 2015, these resources must be deposited by the County in its Cable TV Special Revenue Fund, and this Cable Communications Plan directs the use of the revenues in this Fund.
- 2. Spending Authority under the Time Period Governed by This Plan: This Cable Communications Plan provides spending authority for FY 2015. Resources appropriated in FY 2015 that are not encumbered by the County on or before June 30, 2015 must remain in the Cable TV Special Revenue Fund and be available for spending in future years.

Page 3 Resolution No.: 17-1119

3. <u>Carryover</u>: Resources provided to the County as a result of the requirements of the Franchise Agreements with Comcast, RCN, and Verizon, but not specifically allocated in the Cable Communications Plan to the General Fund, must remain in the Cable TV Special Revenue Fund and be available to be allocated in future years.

- 4. <u>Future Fiscal Years</u>: No estimate shown for any fiscal year after FY 2015 reflects any commitment or decision by the Council, and any such estimate should not be taken as prejudging any decision regarding activities or allocations, either in absolute or relative amounts, of expenditures for future years.
- 5. <u>Management of Funds</u>: All equipment, personnel, and other resources approved in the Cable Communications Plan for funding from the Cable TV Special Revenue Fund must be managed so that the resources are reasonably available to all users of the cable system and provide benefits to the subscribing public and the franchisee.
- 6. <u>Affirmative Action and MFD Procurement Procedures</u>: The Board of Directors of Montgomery Community Television, Inc. (MCT), doing business as Montgomery Community Media (MCM), must adopt and follow an Affirmative Action Plan and procedures for procurements from minority-, female-, and disabled-owned businesses (MFD) that take into account both the requirements of the Franchise Agreements with Comcast, RCN, and Verizon and relevant provisions of the County Code.
- 7. <u>Financial Disclosure</u>: The County must not spend any FY 2015 funds allocated to MCT until all members of the Board of Directors and the Executive Director of MCT have filed a financial disclosure statement with the Ethics Commission for the 2014 calendar year.
- 8. FY 2016-2021 Cable Plan: The Executive must submit a preliminary six-year Cable Communications Plan for FY 2016 through FY 2021 to the Council no later than January 15, 2015. The Preliminary Cable Communications Plan must include: (a) a list of known PEG activities and funding needs for FY 2016 through FY 2021; (b) a preliminary plan for prioritizing PEG funding needs within the context of the County's long-term vision for Cable television; (c) any capital project expenditures proposed to be funded through the plan; (d) changes to approved multi-year expenditures; and (e) updated projections of plan revenues for FY 2016 through FY 2021.
- 9. Reporting Requirements: The Executive must submit a quarterly summary report to the Council detailing revenues received by source for the Cable Plan and the levels of the Cable Fund Balance at the close of the prior quarter. The intent is to ensure that all revenues beyond those foreseen in the approved Cable Plan are explicitly identified and allocated by the Government Operations and Fiscal Policy Committee.

FY 2015 Cable Communications Plan Description

The FY 2015 Cable Communications Plan provides funding for cable franchise administration (Department of Technology Services, County Attorney's Office, and outside professional

Page 4 Resolution No.: 17-1119

services); for municipal equipment and support; for public, educational, and government access programming (Office of Public Information, Council, Montgomery College, Montgomery County Public Schools, and Montgomery Community Television, Inc.); for the Legislative Branch Communications Outreach non-departmental account (NDA); for the Interagency Technology Fund (ITF); and for other miscellaneous cable-related activities.

The attached table details the approved expenditures from the Cable TV Special Revenue Fund for the following purposes in FY 2015:

Franchise Administration

- A. Funds are allocated to the Department of Technology Services to administer the Franchise Agreements with Comcast, RCN, and Verizon, including inspecting construction, testing signal quality, responding to residents' complaints, budgeting franchise fee and grant funds received from the cable operator, managing the contract to provide public access services, supporting an advisory committee, administering Federal Communications Commission rules and regulations, preparing for and negotiating franchise agreements, and advising elected officials on related policy matters.
- B. Funds are allocated to the County Attorney's Office to support the in-house staff costs associated with advising the Department of Technology Services and elected officials on related matters.
- C. Funds are allocated to hire outside professional services to advise or represent the County in areas of specialized telecommunications needs.

Municipal Support

- D. Funds are allocated for sharing franchise fee revenue with the municipal co-franchisors in accordance with the formula in Section 8A-29 of the County Code.
- E. Funds are allocated to support the 3 PEG channels allocated to (1) the City of Rockville; (2) the City of Takoma Park; and (3) the Montgomery County Chapter of the Maryland Municipal League. Funds are allocated from the Capital Equipment Support Grants, according to the requirements of Section 7(b)(1)(B) of the Franchise Agreement with RCN, the requirements of Section 7(b)(2) of the Franchise Agreement with Comcast, and from the PEG Support Fund according to the requirements of Section 4.1 of the 1998 Cable Franchise Transfer Settlement Agreement assumed by Comcast from Prime Communications. Funds are allocated from the PEG Support Fund to the extent that the Participating Municipalities meet all applicable matching-fund requirements in the Settlement Agreement.

County Government Access Programming

F. Funds are allocated for managing the County Government Channel, maintaining County Government Channel video equipment, closed captioning of County Government programming, and for the operation of the Technical Operations Center to monitor and adjust technical quality of PEG Programming.

Page 5 Resolution No.: 17-1119

Funds are allocated to the Office of Public Information for in-house staff and contractors to produce Executive Branch programming for the County Government Channel.

Funds are allocated to the Council for in-house staff and contractors to produce programming for the Council and Legislative Branch agencies.

Funds are allocated to the Montgomery County portion of the Maryland-National Capital Park and Planning Commission for contractors to provide cable-related services, including webcasting and services needed to produce programming for the Planning Board and the Parks Department.

Educational Access Programming

- G. Funds are allocated to Montgomery College to produce educational programs and operate a cable channel with in-house staff.
- H. Funds are allocated to Montgomery County Public Schools to produce educational programs for children, parents, and teachers; carry Board of Education meetings; and run other educational programming of interest to County residents. MCPS currently operates two educational access channels on the cable system.

Public Access Programming

- I. Funds are allocated for Montgomery Community Television, Inc., to perform services in FY 2015 specified in its contract with the County, including the following:
 - (1) produce and schedule two public access channels, including disseminating information on the daily program schedule;
 - (2) train community producers and technicians in program production and assist residents and community organizations in developing locally produced or locally sponsored programming;
 - (3) provide and maintain a central access studio, field production equipment, and editing facilities for use by community producers in program production;
 - (4) maintain all video equipment provided to MCT or purchased by MCT with cable company or County funds;
 - (5) produce local interest and public affairs programming;
 - (6) promote and encourage programming representing a diversity of community interests and needs; and
 - (7) perform outreach and create programming in the down-county area.

PEG Network

J. For FY 2015, funds are allocated for PEG equipment replacement, for joint PEG programming/promotion, PEG network engineering and administration, closed captioning of select PEG programming, and for PEG programming to provide access to cable by community organizations.

Page 6 Resolution No.: 17-1119

The Council wishes to encourage the most cost-effective operations of the PEG Channels and has directed the PEG Governance Board to enhance the sharing of equipment, facilities, and personnel. All funds appropriated for PEG equipment replacement must be administered by the Office of Cable and Broadband Services. Before spending any funds for this purpose, the PEG Governance Board must report to the Council and the Executive on their plans for the purchase and allocation of replacement equipment. The Council intends that preference be given to purchases of equipment and facilities that can be shared by more than one PEG Channel.

The Council encourages the municipal co-franchisors to develop plans for purchasing equipment, using engineering expertise available from the other PEG Channels and the Office of Cable and Broadband Services, and acquiring equipment that facilitates the sharing of resources with other PEG channels.

All equipment purchased with Cable Funds, except equipment purchased with Municipal Grant funds or funds allocated to the Village of Friendship Heights under this Plan, must be titled to the Montgomery County Government, which may, under appropriate controls, allocate some of the equipment for use to individual PEG Channels.

Before the PEG Governance Board may spend funds allocated for PEG joint Programming/Promotion, the Governance Board must report its general plans to the Council and the Executive.

In FY 2015, funds are allocated to support a full-time community engagement contractor to produce multicultural and multi-lingual programming for the all County PEG stations, and for a full-time contractor to provide public information and cable programming services for the Council in Spanish and other languages.

In FY 2015, \$150,000 is allocated to the Gandhi Brigade to support and expand its Youth and Arts Community Media efforts.

Institutional Telecommunications

K. For FY 2015, funds are allocated for Institutional Telecommunications for FiberNet capital improvements and operations. The County's Franchise Agreement with Comcast, assumed from Prime Communications, provides that Comcast must pay grants to support operations, maintenance, and the installation of cables and electronic equipment for the County's FiberNet.

The County continues to expand the FiberNet network to meet the telecommunications needs of County agency facilities. The Department of Technology Services must develop and implement a FiberNet buildout plan that identifies facilities with the greatest need for high-speed voice, data, and video transmissions and for which FiberNet offers lower cost service than private sector telecommunications providers. User agencies must notify the Council before paying any fee to or entering into any agreement with any private provider, if using FiberNet to serve specific facilities is more advantageous to the

Page 7 Resolution No.: 17-1119

County. The Council will then consider if adjustments to the funded FiberNet buildout schedule are warranted to avoid paying excessive fees to private providers for telecommunications service to any specific facility.

Allocation of FiberNet fibers to Montgomery College from the County FiberNet is subject to a construction memorandum of understanding between the College and the County signed on December 26, 2012, as well as approval by the Interagency Technology Policy and Coordination Committee.

Support of Legislative Branch Communications Outreach NDA

L. In FY 2015, the Council approved a transfer of \$488,000 to the Legislative Branch Communications Outreach NDA to strengthen the capacity of the Legislative Branch offices to inform constituent communities of issues that directly affect them and to ensure that these communities' concerns are effectively taken into account.

Support of the Interagency Technology Fund (ITF)

M. In FY 2015, the Interagency Technology Fund will receive \$125,000 to fund priority projects as approved by the ITPCC.

	These projections are based on the Evecutive's Recommended bud										

Notes: These projections are based on the Executive's Recommended budget and include the revenue and resource assumptions of that budget. The projected future expenditures, revenues, transfers, and fund balances may vary based on changes not assumed here to fee or tax rates, usage, inflation, future labor agreements, and other factors.

^{1.} Subject to municipal pass-through payment.
2. Restricted revenue and expenditures: Certain Cable Fund revenues, required in excess of the federal limit on franchise fees, and corresponding expenditures (Municipal Franchise Fees/Pass-throughs, PEG Capital/Equipm PEG Operating Revenue) are contractually required by franchise, municipal, and settlement agreements, and by the County Code, and may only be used for permissible federal purposes and in a manner consistent with applicable

agreements.

3. The Comcast franchise renewal process is ongoing and specific elements of a final agreement are uncertain. Restricted categories such as PEG Capital and Operating support revenues, as well as Municipal Capital and Operating Support expenditures, will be affected. Municipal cost sharing is dependant on final negotiation of agreements between the County and municipalities. The County may require Capital Grants based on community needs. The County may negotiate, but may not require Operating Grants in addition to Franchise Fees. FY15-FY18 assumes that the County will receive payments from Comcast calculated at the same rate as the previous franchise agreement.

^{4.} Montgomery Community Television, Inc., d/b/a Montgomery Community Media, is designated as a sole source contractor to provide community access media services.

^{5.} Fund balance per policy guidance s is calculated as 8% of total non-restricted revenues (franchise fees, tower fees, and investment income).

6. The Cable Fund makes a fund transfer to Montgomery College and MCP5 to support MCP5 ITV and MC ITV.

^{7.} There is no transfer to the ITF this year, however Council has designated \$97,000 for DTS for ITPCC projects in DTS and \$125,000 for ITPCC use this year.
