2. As required by Section 304 of the Charter, the Council held public hearings on the Operating Budget on April 5, 6, and 7, 2016.

Action

The County Council for Montgomery County, Maryland approves the following resolution:

1. The Council approves the FY 2017 Operating Budget for the Montgomery County Government and appropriates the funds as shown on the attachment to this resolution in the following sections.

Section A: The General Fund Operating Budget contains the tax-supported, non-grant-funded appropriations for departmental and non-departmental General Fund accounts.

Section B: The Special Revenue Funds Tax-Supported Budget contains the non-grant appropriations associated with all tax-supported Special Funds.

Section C: The Debt Service Budget includes all tax-supported debt service on General Obligation Bonds for the General Fund and tax-supported Special Funds and all tax-supported expenditures for long term leases, short term leases, and other tax-supported and non-tax supported debt.

Any appropriation for and spending on any project funded by non-County funds is contingent on notice of receipt of the non-County funds.

Section E: The Special Revenue Funds Self-Supporting Funds Budget contains both grant and non-grant-funded appropriations for self-supporting (non-tax-supported) funds.

Section F: The Enterprise Funds Budget contains both grant and non-grant-funded appropriations for enterprise funds and the debt service appropriation for enterprise funds, and notes the total appropriations for the County's Risk Management Liability and Property Coverage Self-Insurance Fund and Employees Health Benefits Self-Insurance Fund.

2. This resolution re-appropriates or appropriates revenue received from non-County sources for programs funded in whole or in part from those non-County funds:
 - (a) together with matching County funds, if any; and
 - (b) to the extent that the program period approved by the non-County source requires more than one fiscal year to complete the grant program, under the terms of receipt of the non-County revenues.
3. This resolution re-appropriates the fund balances of the following funds:
 - Central Duplicating Fund
 - Economic Development Fund
 - Housing Initiative Fund
 - Motor Pool (DGS) Internal Service Fund
 - Rehabilitation Loan Fund
 - Restricted Donation Special Revenue Fund
4. This resolution re-appropriates the June 30, 2016 fund balance for the Drug Enforcement Forfeiture Fund permitting it to be spent in FY 2017. As required in Section 35-13B of the County Code, the Chief of Police must provide reports to the Executive and the Council on December 15, 2016 and March 15, 2017 regarding the unreserved fund balance, expenditures, and the approved budget for the Drug Enforcement Forfeiture Fund.
5. This resolution re-appropriates encumbered appropriations, permitting them to be spent in FY 2017. Any unencumbered appropriation lapses at the end of FY 2016, except as re-appropriated elsewhere in this resolution.
6. Section G of this resolution lists the entities designated to receive non-competitive contract awards under Section 11B-14(a)(4) of the County Code, which states: "A contract may be awarded without competition if the Chief Administrative Officer makes a written determination that the contract award serves a public purpose and a proposed contractor has been identified in a grant or appropriation resolution approved by the Council."

Appropriations for these awards are included in the departmental and non-departmental appropriations in Sections A through F. The Chief Administrative Officer has determined that the entities listed in Section G serve a public purpose and contract awards are in the public interest. The amounts listed in Section G are estimates only and may vary due to changed circumstances. The Council in Resolution 14-490 adopted the process to designate entities under this provision.

7. This resolution appropriates \$13,800,211 to the Department of Health and Human Services to provide a supplement to organizations providing direct services to clients of residential, community supported living arrangements, day habilitation, or supportive employment provided through the Developmental Disabilities Administration. In order to receive this supplement, an organization must demonstrate to the Department that 100% of the funding is being used to increase the pay of direct service workers in recognition of the higher cost of living in Montgomery County compared to other parts of Maryland. Each organization must document to DHHS that the funds are being used for this purpose. Section G of this resolution includes entities eligible to receive this non-competitive payment. For FY 2017, funds are expected to allow organizations to pay direct service workers, on average, 125% of Montgomery County minimum wage.

8. If an error in the name of an entity or the stated purpose for a non-competitive contract identified in Section G does not alter the substance of the Chief Administrative Officer’s determination and Council’s approval of the award, the Director of the Office of Procurement may proceed with the non-competitive contract without an amendment to Section G. The Director of the Office of Procurement must notify the Council within 7 days after making each determination.

- (c) By April 15, 2017, MCFRS must distribute 15% of the actual amount of revenue received in the restricted EMST Reimbursement account attributable to FY 2017 from July 1, 2016 to December 31, 2016 (after deducting EMST Reimbursement Program implementation costs), as calculated by the Department of Finance after a mid-year reconciliation of the funds in the account.

(d) Any funds distributed under this procedure must be spent or encumbered by each LFRD to which funds are assigned no later than one calendar year after the last date funds are distributed (respectively, October 15, 2017 or April 15, 2018). Any funds that an LFRD does not encumber or spend by these dates automatically revert to MCFRS on October 15, 2017 or April 15, 2018 respectively. The Fire Chief must reallocate any funds reverted under this provision, consistent with this provision, §21-23A, and other applicable State and County laws, regulations, policies, and guidelines.

The Fire Chief must report to the Council no later than October 15, 2016 and April 15, 2017: the total amount of funds in the restricted account; the total amount to be distributed to the LFRD's; each project and LFRD allocation; and the amounts distributed to and spent or encumbered by each LFRD to date, by project and fiscal year.

Any EMST Reimbursement Revenue attributable to FY 2017 that is not spent or encumbered by MCFRS by June 30, 2017, must remain in the restricted account and must not be spent unless re-appropriated for a use allowed under County Code §21-23A.

For FY 2017, it is expected that \$18,200,000 of the appropriation to the Montgomery County Fire and Rescue Service will be supported by EMST Reimbursement Revenue from the restricted account. The Office of Management and Budget must transmit to the Council no later than March 15, 2017 the amount of revenue received and amount billed from July 1, 2016 through February 28, 2017.

46. During FY 2017, the Director of Finance must transfer the following amounts from the General Fund to these Non-Tax Supported Funds:

Amount	Fund
\$ 1,651,280	Solid Waste Disposal Fund
22,167,940	Montgomery Housing Initiative
0	Permitting Services Fund: Public Agency Permits and Green Tape Position
1,742,791	MCPS Instructional Television Fund
1,620,732	Montgomery College: Cable TV Fund
160,000	Community Use of Public Facilities Elections and After School

47. For FY 2017 this resolution appropriates \$5,306,943 to the County Arts and Humanities Council Non-Departmental Account, which must be allocated as follows:

Purpose	Amount
Operating Support Grants	\$3,308,202
Small/Mid-Size Organizations, Creative Projects, Arts Education, and Individual Artist/Scholar Grants	\$778,861
Advancement Grants	\$250,050
Administration	\$529,830
Arts and Humanities Matching Fund	\$200,000
Grants to Support Wheaton Arts and Entertainment District	\$90,000
Grant to National Philharmonic	\$150,000
Total Arts and Humanities Council NDA	\$5,306,943

Of the funds appropriated for the administration of the Arts and Humanities Council, \$25,000 must be used only to provide health insurance benefits for one or more of the Council's full-time employees. The Arts and Humanities Council's Board of Directors must determine how these benefits are provided. If the County Attorney finds that these employees' participation is consistent with Federal and County law, these funds may be used to buy health insurance for these employees through the County Government's Group Health Insurance program. These funds must not pay more than 80% of the cost of the premium of the health insurance coverage selected by the Arts and Humanities Council's Board of Directors.

48. As required by County Code Section 2-151(f), the Council recommends projected budgets for the Office of Inspector General of \$1,040,681 in FY 2017, \$1,040,681 in FY 2018, and \$1,040,681 in FY 2019.
49. This resolution appropriates \$22,167,940 from the General Fund as a contribution to the Montgomery Housing Initiative Fund (HIF). The FY 2017 appropriation, combined with the re-appropriation of the FY 2016 fund balance, loan repayments, investment income, and revolving resources available in the capital improvements program, is estimated to provide more than \$51 million to acquire, rehabilitate, and preserve affordable housing, and implement the County's Housing First Plan. Resolution 15-110, *Dedicated Funding for Affordable Housing*, states that the County Executive will recommend and the Council will approve an allocation from the General Fund to the HIF an amount equivalent of 2.5% of actual General Fund property taxes from 2 years prior to the upcoming fiscal year. Resolution 16-143, *Source of Funding for Annual Appropriation to the HIF*, states that the source of funding for the amount equivalent to 2.5% of the actual property tax from 2 years prior must be from the General Fund and may not include MPDU resale recaptures, condominium transfer tax revenues, and end-of-year fund balance. Because of the fiscal downturn, the Executive did not recommend and the Council did not appropriate in FY 2017 an amount from the General Fund that is the equivalent of 2.5% of actual FY 2015 property taxes.

- 50. The Department of Housing and Community Affairs may allocate \$1,000,000 from the Housing Initiative Fund for the Closing Cost Assistance Program.
- 51. The Director of Finance must maintain a record of all payment-in-lieu-of-taxes (PILOT) agreements currently in effect under the Tax-Property Article of the Maryland Code. The record must estimate (in current year dollars) the amount of property taxes abated for each agreement for each of the next 10 fiscal years. As authorized by County Code Section 52-18M, the Director of Finance may sign payment-in-lieu-of-taxes agreements for affordable housing that abate annual property tax revenues, up to the following annual limits, for all properties not owned or operated by the Housing Opportunities Commission:

Cumulative Maximum for Non-HOC PILOT Tax Abatements

FY 17	\$13,699,915
FY 18	\$16,165,900
FY 19	\$17,297,513
FY 20	\$18,162,389
FY 21	\$19,070,508
FY 22	\$20,024,034
FY 23	\$20,624,755
FY 24	\$21,243,497
FY 25	\$21,880,802
FY 26	\$22,537,226

The Director of Finance must not sign any payment-in-lieu-of-taxes agreement that would increase the total amount of abated property tax revenues above any of the listed annual limits without prior approval of the Council by resolution.

- 52. As required by Charter Section 209 and as a condition of spending any funds appropriated in this resolution, the Office of Management and Budget must provide to the Council the second and third quarterly budget analysis of department and office expenditures and revenues no later than 45 days after the end of the second and third fiscal quarters.
- 53. As a condition of spending any funds appropriated in this resolution and not disapproved or reduced under Charter Section 306, the Executive must transmit to the Council any recommended budget savings plan or similar action. As used in this paragraph, “similar action” includes any recommendation to spend less than 90% of the funds appropriated for any non-competitive contract award listed in Section G of this resolution. Any budget savings plan or similar action is subject to review and approval by the Council. This paragraph does not apply to any hiring freeze which applies to all or substantially all departments and offices of County Government. For FY 2017, the Chief Administrative Officer must transmit two status reports to the Council on identified positions receiving initial funding in FY 2017. The first report must be provided no later than August 30, 2016 and must identify whether a decision has been made to freeze a position or approve an exemption. The second report must provide the status for these positions as of November 13, 2016 and be transmitted no later than November 23, 2016. If a position is identified in the November report as having received an exemption, the report must also

- include the date the position was posted for recruitment. The Chief Administrative Officer must also notify the Council within 15 days of a decision to “freeze” a proposed procurement that would result in a new program being delayed or eliminated or result in a significant break in the operation of an ongoing program.
54. The County Executive must inform the Council within 30 days if the Executive has made any change in the fund balance policy for any non-tax supported fund in County Government or any addition or elimination of any non-tax supported fund in County Government.
 55. As a condition of spending any funds appropriated in this resolution, each non-competitive contract awarded as a Community Grant that was recommended by the County Executive or a Council Grant must require each recipient to submit a brief report by January 24, 2017 and July 28, 2017 to the contracting department describing the results achieved with the funds awarded. The Office of Management and Budget must submit all reports to the Council by February 22, 2017 and August 31, 2017, respectively.
 56. As a condition of spending any funds appropriated in this resolution, the Chief Administrative Officer must require any contractor that provides health and human services or recreation programs to enter and update appropriate information in the InfoMontgomery system.
 57. This resolution appropriates \$5,884,990 to the Snow Removal and Storm Cleanup Non-Departmental Account. The County Executive may transfer the entire amount in this NDA to the Department of General Services and Department of Transportation as needed. These funds must only be spent on costs incurred by either Department for snow removal and storm clean-up. Before funds are transferred from this NDA to the Department of Transportation, the Department must spend the \$3,342,206 appropriated to the Department for snow removal and storm clean-up.
 58. This resolution appropriates \$20,559,481 to the Leases Non-Departmental Account to lease privately owned real estate to accommodate County Government programs. This appropriation does not include funding to renew the lease for Pre-Trial Services located at 12500 Ardennes Avenue under the current lease price \$731,661, and terms. The Department of General Services will locate Pre-Trial Services at the Pre-Release Center in order to enhance, in a cost effective manner, safety and security for the delivery of pre-trial services.
 59. The Department of Environmental Protection may use Water Quality Protection Funds allocated for residential and non-residential Low Impact Development projects for a rebate program. This rebate program is intended to increase the range of incentives to encourage broader participation among residents and businesses in this component of the County’s Water Quality Protection program.
 60. In FY 2017, when the County Government decides that it will apply for a grant or respond to a granting agency on how it would spend a formula-awarded grant, the Chief

Administrative Officer or his designee must notify the Council Administrator in writing of the name and purpose of the grant, the amount being requested or the formula-driven award amount, the name of the agency the application is directed to, the term of the grant, and the name of the department or departments that seek to receive the grant award. This requirement applies when any of the following conditions are met:

- the application is for a new grant of more than \$200,000 or formula-driven award of more than \$200,000 for a new program;
- the grant or award would require the appropriation of new tax-supported funds in FY 2017 or any future fiscal year; or
- the grant application or proposal to spend formula-driven funds will create a new position in County Government.

Upon request, the Chief Administrative Officer or his designee must send a copy of the grant application or a description of the proposed use of a formula-driven award to the Council Administrator within 3 working days after submitting it to the funding agency.

61. In FY 2017, when the County Government decides that it will execute a new lease or lease-purchase agreement that will annually exceed \$500,000 in FY 2017 or any future fiscal year, or increase the cost of an existing lease or lease-purchase agreement annually by more than \$500,000, the Chief Administrative Officer or his designee must notify the Council Administrator in writing, at least 14 days before executing the new or modified lease, of the location of the property that will be leased, the County programs that will occupy the leased space, and the cost of the lease in FY 2017 and future fiscal years. For any new lease, the cost should include the estimated cost for build-out and maintenance and utilities if this cost would be paid directly by the County and not the property owner. For any continuing lease, increases in costs for taxes and utilities are not subject to this provision.
62. For FY 2017, this resolution authorizes the use of cumulative net revenues in excess of expenditures from Landlord-Tenant Affairs fees for general operating purposes. The Director of Finance must include all available net revenues from this fund in the General Fund unassigned fund balance.
63. This resolution appropriates \$1,154,386 to the Office of Human Rights. The Office of Human Rights must continue to process cases alleging a violation of relevant State and Federal anti-discrimination laws in addition to cases alleging a violation of the County Human Rights Law.
64. As a condition of spending funds appropriated in this resolution, the Office of Human Resources, and each Department and Office of County Government, must provide accurate and timely information to the County Ethics Commission regarding the status of employees in the respective Department or Office that the Commission needs to administer the County Ethics Law and particularly the law's financial disclosure provisions.

65. This resolution appropriates funds in Sections A-F in the Personnel Cost category for the County Government contribution to employee retirement accounts and funds. These funds must be spent as provided in County Code Chapter 33 as amended by Expedited Bill 11-11, *Personnel – Retirement Plans – Contributions*.
66. The Council appropriates \$3,187,313 from the Water Quality Protection Fund, which consists of \$369,900 to the Maryland-National Capital Park and Planning Commission's Montgomery County Planning Department and \$2,817,413 to the Department of Parks for expenses incurred to perform the following activities:
- (a) Maintenance and Management of Streams, Lakes, Ponds, Non-tidal Wetlands, and Stormwater Management Facilities;
 - (b) Compliance with NPDES Permit for Industrial Sites;
 - (c) Compliance with NPDES Municipal Permit for Small, Separate, Storm Sewer Systems;
 - (d) Special Protection area reviews and enforcement (not covered by fees);
 - (e) Developing and monitoring stream buffers;
 - (f) Forest conservation enforcement in and abutting stream buffers;
 - (g) Environmental sections on comprehensive master plans related to water quality; and,
 - (h) Review of stormwater management concepts.
67. This resolution appropriates \$25,780,493 to the Utilities Non-Departmental Account (NDA) for the cost of electricity, natural gas, and other energy-related use and operating costs. When the County executes an Energy Services Agreement or manages the project without the assistance of an Energy Services Company for capital renovations to energy related equipment to produce long-term utility savings in County facilities, the County Executive may transfer up to \$5 million from this Account to the Debt Service Fund to pay principal and interest related to the energy-related equipment. The following conditions apply to the use of this transfer authority:
- (a) The program must not require any new FY 2017 tax-supported appropriation or future tax-supported funds.
 - (b) The Department of Finance evaluates whether annual savings provided under the Energy Services Agreement or other County project should be guaranteed by the County's contracted Energy Services Company or validated by other credible means to ensure that the savings and any additional revenue that result from the Energy Services Agreement are equal to or greater than the debt service costs related to the capital renovations over the life of the project financing.
 - (c) The Executive must notify the Council in writing within 30 days after each transfer.
68. This resolution appropriates \$740,000 for inflation adjustments for tax-supported contractors with the Department of Health and Human Services (DHHS) and to eligible contractors with the Department of Housing and Community Affairs that are providing Special Needs Housing programs. Any inflation adjustment awarded under this paragraph must not exceed 2% of the total contract price. Any contract funded by a non-County grant

is not eligible for an inflation adjustment under this paragraph. Each contractor must meet the following eligibility:

- (a) Non-profit service provider, public entity, or
 - (b) Contract that provides meals on wheels, court appointed special advocates, direct mental health services to seniors, and homeless outreach.
 - (c) The increase is to the General Fund value of the contract (Grant Fund value not included).
 - (d) The contract must not be in its first performance period, unless a new contract has been executed as part of a DHHS administrative review, or have an automatic inflation adjustment built into the contract.
 - (e) This increase does not apply to contracts for Montgomery Cares (except administration) or Care for Kids (except for administration and the services associated with the Latino Health Initiative) as their budgets have been adjusted for expected FY 2017 levels of service.
 - (f) This increase does not apply to contracts that are a specific match to a grant.
 - (g) This increase does not apply to contracts covered by the DD Supplement. This resolution appropriates \$3,258,190 to increase the DD Supplement.
 - (h) This increase does not apply to contracts covered by the Residential Treatment Provider Supplement. This resolution appropriates \$21,370 to increase the Residential Treatment Provider Supplement.
69. This resolution appropriates \$5,000,000 to the Public Election Fund Non-Departmental Account to provide public campaign financing for a candidate for County elective office. These funds must only be used for purposes allowed in Article IV of Chapter 16 of the County Code. In addition, this resolution appropriates \$160,000 to the Public Election Fund Non-Departmental Account for administrative costs, including system software upgrades, necessary to implement public campaign financing.
70. This resolution appropriates \$37,744,592 to the Department of Permitting Services. The Council's approved Fiscal Plan for the Department of Permitting Services Enterprise Fund estimates that in FY 2017 the County will receive \$46,655,846 in revenues from licenses and permits and total revenues of \$47,119,754. The Executive must designate in FY 2017 excess reserves above the 20% fund balance, estimated to be \$35,000,000 in cumulative year end reserves for proportional expenses for the Department's new headquarters in Wheaton that is expected to be available in FY 2019. After expenses and the designated reserve for the Wheaton headquarters, the Council estimates the FY 2017 year end fund balance will be \$12,024,020.
71. This resolution appropriates \$360,000 to the Department of Health and Human to reduce required lapse savings in order to fund Social Worker positions in Child Welfare Services. These funds must not be spent for any other purpose. The Executive must transmit a quarterly staffing vacancy, recruitment, and hiring report for Child Welfare Services no later than 10 days after July 1, 2016, October 1, 2016, January 1, 2017, and March 1, 2017.

72. No funds appropriated in this resolution may be spent on a sponsorship of \$10,000 or more. Expenditures on a sponsorship must not be divided into amounts less than \$10,000 or funded by multiple departments or offices in order to avoid this requirement. The Chief Administrative Officer must also transmit to the Council quarterly reports within 15 days of the end of each fiscal quarter listing all expenditures on sponsorships.
