

Resolution No.:	<u>18-806</u>
Introduced:	<u>May 9, 2017</u>
Adopted:	<u>May 16, 2017</u>

**COUNTY COUNCIL  
FOR MONTGOMERY COUNTY, MARYLAND**

---

Lead Sponsor: Council President at the Request of the County Executive

---

**SUBJECT:** Supplemental Appropriation #17-413 to the FY17 Operating Budget  
Montgomery County Government  
Supplemental for Snow Removal/Wind and Rain Storm Cleanup  
Department of Transportation - \$584,726  
Department of General Services - \$1,844,216

**Background**

1. Section 307 of the Montgomery County Charter provides that any supplemental appropriation shall be recommended by the County Executive who shall specify the source of funds to finance it. The Council shall hold a public hearing on each proposed supplemental appropriation after at least one week's notice. A supplemental appropriation that would comply with, avail the County of, or put into effect a grant or a Federal, State or County law or regulation, or one that is approved after January 1 of any fiscal year, requires an affirmative vote of five Councilmembers. A supplemental appropriation for any other purpose that is approved before January 1 of any fiscal year requires an affirmative vote of six Councilmembers. The Council may, in a single action, approve more than one supplemental appropriation. The Executive may disapprove or reduce a supplemental appropriation, and the Council may reapprove the appropriation, as if it were an item in the annual budget.
2. The County Executive has requested the following FY17 Operating Budget appropriation increases for the Department of Transportation and the Department of General Services:

	<u>Personnel Services</u>	<u>Operating Expenses</u>	<u>Total</u>	<u>Source of Funds</u>
Transportation	\$584,726	\$0	\$584,726	General Fund Undesignated Reserves
General Services	\$103,283	\$1,740,934	\$1,844,216	General Fund Undesignated Reserves

3. This increase is needed because expenditures for snow removal and storm cleanup exceed the FY17 appropriation of \$9,227,197 (\$3,342,207 in the Department of Transportation and \$5,884,990 in the Storm Removal Non-Departmental Account). After review of actual expenses related to staff overtime, contractual services, and materials usage a supplemental appropriation is requested.

During the winter of 2016-2017, Montgomery County experienced 7 snow/ice events with total accumulation of approximately 6.4 inches. While some of the events did not result in plowing, both County and contractual personnel were required to report and/or be on standby and equipment was ready and made available based on weather forecasts. The total cost associated with snow removal operations was \$9,272,337, of which \$8,677,098 was budgeted.

Wind and rain storm cleanup expenditures to date are \$1,383,802, of which \$550,099 was budgeted.

In addition to expenditures incurred to date, this supplemental appropriation provides \$1,000,000 to cover anticipated wind and rain storm cleanup costs through the end of the fiscal year. Damage from wind and rain storms is unpredictable, with most of the cleanup historically required from April through September.

4. The County Executive recommends a supplemental appropriation to the FY17 Operating Budget in the amount of \$2,428,942 for snow removal and wind and rain storm cleanup and specifies that the source of funds will be General Fund Undesignated Reserves.
5. Notice of public hearing was given, and a public hearing was held on May 16, 2017.
6. The Council decided to reduce by \$150,000 the funds to cover anticipated wind and rain storm cleanup costs through the end of FY17, with the reduction entirely from the Department of Transportation's portion of the supplemental appropriation.
