2. Section 305 of the County Charter requires 9 affirmative votes if the property tax revenue in FY 2018 from real property that existed in FY 2017 (with certain exceptions listed in Section 305) increases more than the rate of inflation. The property tax levied under this resolution will result in a revenue increase that does not exceed the rate of inflation. Therefore, 9 affirmative votes are not required to adopt this resolution.

3. The State of Maryland adopted the following tax rates on all assessable real property for FY 2018. The rates are expressed in dollars per \$100 of assessed value.

On the real property of public utilities	\$0.280
On all other real property	\$0.112

4. Section 310 of the Charter limits the target reserve in the General Fund planned for the end of FY 2018 to a maximum of 5% of the revenue in the General Fund in FY 2017. The Office of Management and Budget estimates that revenue in the General Fund in FY 2017 will be \$3,351.0 million, and 5% of this is \$167.6 million. The target reserve in the General Fund planned for the end of FY 2018 does not exceed the Charter limit.

5. The constant yield tax rate requirement applies only to the General Fund tax rate for real property. The State calculated this rate to be \$0.7541 for FY 2018. The Council sets the General Fund rate at \$0.7484 for FY 2018. Since the rate the Council sets for the General Fund does not exceed the constant yield tax rate, the Council was not required to have previously informed the public and to have held a public hearing to give the public a chance to comment. However, on April 4, 2017, in Resolution 18-759, the Council stated its intent to consider a General Fund rate of \$0.7734, which exceeds the constant yield tax rate. The Council placed an advertisement of this intent in a newspaper of general circulation, and the Council held the public hearing on April 25, 2017.

This is a correct copy of Council action.
