

Still need to file? Didn't get your stimulus?

Our certified volunteers will prepare and e-file your federal and state returns at **no cost!**

What do you need?

- Photo ID
- Social Security Card **or** Social Security Statement **or** ITIN letter for each person to be listed on the tax return
- If you had income, documents such as W2, 1099-G, 1099-NEC

Two ways to get help!

Our volunteers are working virtually, but you have two ways to connect:

100% Virtual

No video chatting required. From your smartphone, tablet or computer you will follow a link to answer intake questions and upload your documents. A volunteer will call to finish your intake. After the return is prepared and reviewed, a volunteer will call with your results and you will receive and sign your completed return electronically.

In person / Virtual

You will make an appointment to come in person to answer the intake questions and scan your documents. Volunteers will preparer your returns virtually and call you when the return is completed to set up an appointment for you to come in person to review and sign your tax return.

(Intake appointments available through May 9th).
