Need help right now?

Our representatives are here to help and ready to work with you to determine a payment option that will help your situation.

Bill Adjustments are available to residential customers once every three years under certain circumstances.

Flexible Payment Options, including extended due dates and payment plans, can help when customers have an unexpected financial hardship.

CAP-Approved Customers may be eligible for a payment plan up to 48 months.

All Other Customers may be eligible for a payment plan up to 24 months.

Need help repairing your water service line?

WSSC Water is proud to present Pipe ER, a new water service line replacement emergency loan program. Pipe ER provides loans to finance the replacement of leaking pipes located on residential property that connect from WSSC Water's service connection to the residence.

PipelineER

Customers are eligible to receive a maximum \$5,000 loan, paid directly to a WSSC Water licensed plumber. The loans are administered by the WSSC Federal Credit Union. 301-206-8111 or wsscfcu.org/pipeER.

Need long-term assistance?

We'll ask you if your income might make you eligible for one of three programs that can reduce your WSSC Water bills in the future.

The Water Fund

Provides customers in need up to \$500, once per year. The program is administered by the Salvation Army and funded by generous donations from WSSC Water customers, employees and community partners. wsscwater.com/waterfund
