

## PUBLIC NOTICE

April 28<sup>th</sup>, 2021

To whom it may concern,

Subject: WSSC Sewer Rehabilitation Contract PM5332A12 – Task Order NO. 20

The purpose of this notice is to advise you that the Washington Suburban Sanitary Commission (WSSC) has contracted our company to rehabilitate the County's sanitary sewer mainlines. This work is part of a broad WSSC program to modernize older sanitary sewer connections that are found in selected locations of this Little Falls Basin.

Beginning at 9pm Thursday May 6<sup>th</sup> our crew will be on Wisconsin Avenue between Chevy Chase Boulevard and Stanford Road to install a trenchless liner to the WSSC sanitary sewer main. During the course of this work, the two left hand northbound lanes in the area will be closed for our equipment. Installation should be completed by 5am Friday May 7<sup>th</sup> and normal traffic will then resume.

If a problem develops in the course of this work you can deal directly with the on-site representative, John Oberliesen at 301-310-5384 [john.oberliesen@gcinc.com](mailto:john.oberliesen@gcinc.com) (Project Coordinator), or Steve Overton at 240-470-0820 [steve.overton@gcinc.com](mailto:steve.overton@gcinc.com) (Project Manager).

Respectfully,

Steve Overton  
Project Manager
