MINUTES

The Forest Conservation Advisory Committee met as scheduled on April 21, 2015.

Caren Madsen, representing Conservation Montgomery, presented information about their tree care course, Home Tree Care 101.

We decided that John should continue as Chair and that Jean should consider the position of vice chair.

We discussed stumps in the rights-of-way and decided to discuss them further in May and to plan a field trip for the June meeting.

The next meeting is scheduled for May 19, 2015; at 7:00 pm. Katherine Nelson plans to present the Forest Conservation Law Annual Report.
