## RainScapes Gazette

Winter Bonus 2016

### How to Green Your Congregation's Grounds Webinar

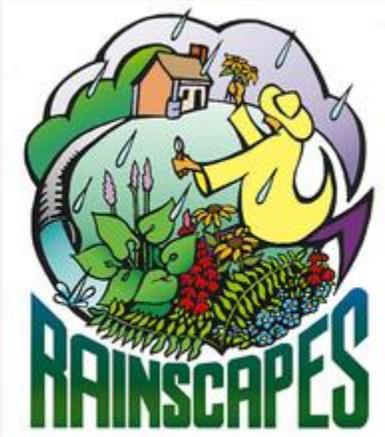

**Tuesday, February 9, 2016, 12 noon OR Thursday, February 18, 2016, 7:30 PM**

One hour webinar to include highlights of the Sacred Grounds workshops held spring and summer 2015.

Learn how to:

- make your congregational grounds friendly to wildlife through the innovative National Wildlife Federation's Sacred Grounds program,
- reduce stormwater runoff using native landscapes and other RainScapes techniques and receive financial assistance for these projects through the Montgomery County RainScapes program, and
- receive free trees for your congregation through Interfaith Partners for the Chesapeake's Trees for Sacred Places program.

To register, go [here](#).

RainScapes is a program provided by the Montgomery County Department of Environmental Protection which promotes and implements projects which reduce stormwater runoff volume and improve water quality on properties within Montgomery County.
