Maryland Energy Assistance Program

An applicant with proof of approved benefits under the Maryland Energy Assistance Program is eligible for the exemption. MEAP approval letter for the current levy year must be attached to the application.

Income Verification

Please check the household size and household income below. Current year's tax return is required.

For the Tax Year 07/01/2013 – 06/30/2014		
Check	Persons in family/household	Household Annual Gross Income*
	1	\$19,533
	2	\$26,367
	3	\$33,201
	4	\$40,035
	5	\$46,869
	6	\$53,703
	7	\$60,537
	8	\$67,371
For families/households with more than 8 persons add \$6,834 for each additional person.		
*Gross income is all household income before deductions by employer for taxes, social security, etc.		

I hereby certify that the information contained in this request and the supporting documents is true and correct. I am the owner of the above identified property. I also understand that, if approved, this exemption will apply to my account only for the current tax year.
