Baltimore MD 21201-2705

Dear Mr. Skaggs:

This letter is to inform you that the Air and Radiation Administration received the Title V (Part 70) renewal application for the Montgomery County Resource Recovery Facility plant on October 26, 2017.

Per COMAR 26.11.03.02C. (2), an application for a Part 70 permit will be considered complete unless the Department determines that the application is not complete within 60 days of its receipt and notifies the applicant in writing of the basis for this determination.

If you have any questions, please contact the permit engineer who has been assigned to this facility, Mr. Mario Cora at (410) 537-3858.

Sincerely,

A handwritten signature in black ink, appearing to read "Sena Harley", written over a horizontal line.
