Minutes

The Forest Conservation Advisory Committee met as scheduled on February 20, 2018.

The Committee continues to seek a new Chair and Vice Chair! Feel free to speak with Laura for more details.

David Myers let committee members through an exercise to identify strengths, challenges, and opportunities of the committee to identify likely outcomes or products for the next year. David will summarize the results and distribute them to the committee. We plan to review them during the next meeting.

The next meeting is tentatively scheduled for March 20, 2018, from 7:00 to 8:30 pm. It will be held in the small conference room at the DEP offices.
