Notes

The Committee met as scheduled on June 18, 2019, in the DEP offices. Mr. Jan Van Zutphen, Urban Forester, cancelled on the prior day. He provided a tree canopy assessment of Takoma Park that was developed by the USFS and University of Vermont. The committee reviewed and discussed this report.

The committee agreed to hold the next meeting in October to review current topics. The next meeting will be held in February (or in March if weather interferes) to develop a letter with recommendations for the budget cycle and review any pending legislation and the annual report for the Forest Conservation Law.

There will be NO meetings in July, August, and September.
