1. Leased Premises and Use:

(a) Landlord leases to the County a portion of the Property, which is more particularly described and illustrated in **Exhibit B**, attached hereto and made a part hereof ("**Leased Premises**"). The County shall be permitted to install, operate and maintain at the Leased Premises antennas on the rooftop of the building located at the Property, together with an equipment shelter to be located on the grounds of said building.

(b) The Leased Premises shall be limited for use by the County for the purposes of installing, operating, maintaining, repairing, upgrading and

The County is permitted to construct a security fence to secure the Communications Equipment at the Leased Premises, so long as said construction is in conformance with all applicable laws, consistent with the aesthetics of the Property, as approved by Landlord, and does not impact Landlord's use of the Property.

2. Access for Ingress & Egress to Leased Premises:

Landlord grants the County access at all times (24 hours/day, 7 days/week), on foot or by motor vehicle, including trucks, to access the Leased Premises from the nearest public right-of-way and through the building at the Property to the Leased Premises, only as authorized in this Agreement, ("**Access**") as may be necessary to construct and operate the Communications Facility.

3. Term and Commencement Date:

(a) This Agreement shall be effective as of the date of execution by both Parties (the "**Effective Date**"). The initial term of the Agreement shall be five (5) years ("**Initial Term**"). The commencement date for the Initial Term shall be the earlier to occur of: (i) the first (1st) day of the month following the month in which the County obtains its final permits and Government Approvals (defined in 6b below) to construct the Communications Facility, or (ii) the date which is one (1) year after the Effective Date, unless otherwise agreed in writing prior thereto by Landlord ("**Commencement Date**"). Landlord and the County agree that they shall execute a written acknowledgement confirming the Commencement Date. In the event that the County has not received all necessary approvals for use of the Leased Premises within eighteen (18) months from the Effective Date, the County may terminate this Agreement immediately without further liability hereunder. Landlord may extend the time period for the County to obtain all necessary approvals upon the County's written request for an extension which must be accompanied by evidence that it has been and is continuing to diligently pursue the required approvals.

(b) This Agreement will automatically be extended at the end of the Initial Term for three (3) additional renewal terms of five (5) years in each term (individually, a "**Renewal Term**"), unless (i) the County is in default of the Agreement at the end of the then current term or at the commencement of

the Renewal Term and Landlord has provided at least thirty (30) days' written notice to the County that Landlord will not renew the Lease, or (ii) the County terminates the Lease at the end of the then current term by giving Landlord written notice of the intent to terminate at least thirty (30) days prior to the end of the then current term, or (iii) the Agreement is terminated earlier in accordance with the provisions of this Agreement. Each Renewal Term shall be upon the same terms and conditions which were in effect before the end of the last Renewal Term with the appropriate rental rate increases defined in Section 4. If the County holds over after the expiration or termination of the Agreement, the tenancy shall be a tenancy from month to month at a monthly rent of the rent due for the last month under this Agreement prior to expiration or termination, until the County vacates the Leased Premises and cures any uncured default under the Agreement.

- (c) The Initial Term, and any Renewal Terms, are referred to in this Agreement as the **Term**.

4. Rent:

- (a) The County must pay Landlord, as annual rent, Thirty One Thousand Eight Hundred and 00/100 Dollars (\$31,800.00) ("**Fee**" or "**Fee Payment**") in equal monthly installments of Two Thousand Six Hundred Fifty and 00/100 Dollars (\$2,650.00). The initial Fee Payment is due prior to the Commencement Date, and thereafter, in advance, on the first day of each month in which it is due, at Landlord's address specified in Section 17 below.
- (b) The Fee increases by three (3) percent annually on each anniversary of the Commencement Date.
- (c) If the County fails to pay the Fee to Landlord on the date required in this Section 4, the County must pay a late charge of five percent (5%) of the total amount of the Fee Payment if the Fee Payment is made more than ten (10) calendar days after the due date.

5. Taxes and Operating Expenses:

- (a) The County is solely responsible for obtaining and paying for all utilities needed for its use of the Leased Premises. At the County's sole cost and expense, the County must have separate utility meters installed at the Leased Premises to measure the utility consumption of its Communications Facility. The County must contract with, and make direct payment to the public utility companies for the installation of the utility meters and for all utilities consumed by the Communications Facility. Landlord shall not be liable to the County concerning the amount or nature

of utility needs, or the necessary interconnections, for the County's use of the Leased Premises and shall not be obligated to provide electrical service to the County during a black-out, brown-out or Force Majeure event.

- (b) Any tax, assessment, levy, charge, fee, or license directly attributable to the County's leasehold improvements on the Leased Premises or use of thereof ("**Assessments**") must be paid in full by the County within thirty (30) days of the County's receipt of any bill evidencing such Assessment.

6. Permits and Governmental Approvals:

- (a) Landlord agrees, at the County's sole cost and expense, to exercise commercially reasonable efforts to cooperate with the County in obtaining any licenses, permits and other approvals required by any federal, state or local authority for the County's use of the Leased Premises and the installation and use of the Communications Equipment.
- (b) It is understood and agreed that the County's ability to use the Leased Premises is contingent upon its obtaining all of the certificates, permits and other approvals (collectively the "**Governmental Approvals**") that may be required by any federal, state or local authorities which are required for the County's use of the Leased Premises prior to the Commencement Date of this Agreement. Landlord, at the County's sole cost and expense, will use commercially reasonable efforts to cooperate with the County in its effort to obtain the Governmental Approvals and shall not make any changes to the Leased Premises that would prevent the proposed use thereof by the County.
- (c) In the event that, prior to the Commencement Date: (i) any of the County's applications for Governmental Approvals are rejected; (ii) any Governmental Approval issued to the County is canceled, expires, lapses, or is otherwise withdrawn or terminated by a governmental authority; (iii) the County determines that such Governmental Approvals may not be obtained in a timely manner; (iv) the County determines that the Leased Premises is no longer technically compatible for its use; or (v) the County, in its sole discretion, determines that it will be unable to use the Leased Premises for its intended purposes, the County shall have the right to terminate this Agreement. Notice of the County's exercise of its right to terminate this Agreement under this subsection must be made prior to the Commencement Date and must be given to Landlord in writing in the manner required under Section 17.

7. Indemnification:

- (a) The County agrees to indemnify Landlord and save it harmless from and against any and all claims, actions, damages, losses, liability and expense in connection with loss of life, personal injury and/or damage to property arising from or out of any occurrence upon or at the Leased Premises, or the occupancy or use by the County of the Leased Premises or any part thereof occasioned wholly or in part, to such extent, by any negligent act or omission of the County, its agents, contractors, or employees, except in the case of the negligence, wrongful acts or omissions of the Landlord, its agents or employees. The County's liability under this paragraph is subject to, limited by, and contingent upon the appropriation and availability of funds, as well as the notice requirements and damages limitations stated in the Local Government Tort Claims Act, Section 5-301 et seq., Courts and Judicial Proceedings Article, Annotated Code of Maryland (together the "County Indemnification Statutes"), all as amended from time to time. This indemnification is not intended to create any rights or causes of action in any third parties or to increase the County's liability over and above the caps provided in the County Indemnification Statutes, as applicable. Nothing herein shall be construed to abrogate, impair, or waive any defense to liability, damages limitation, or governmental immunity of Landlord, its members, officers, employees, or agents pursuant to Maryland law, or otherwise.
- (b) Landlord shall not be responsible for any loss or damage to the Communications Equipment or the Communications Facility or for damage to any person or any property in or upon the Leased Premises, except to the extent such loss or damage arises out of the misconduct or negligence of Landlord or any of the Landlord's agents, servants, or employees, and will indemnify County for any such loss or damage that arises from same.

- (b) Landlord warrants that it shall not allow any use of the Property by it or any third party to cause material interference with the County's use of the Leased Premises. In the event of such material interference, Landlord will immediately require the interfering party to immediately power-down and disable the interfering equipment until such interference issue is resolved, and later powering up such equipment for intermittent testing must be accomplished in the manner required by the County and the applicable safety organizations whose operations were materially interfered with. If the material interference is not remedied within thirty (30) days of the County's initial notice to Landlord, the County may terminate this Agreement, in addition to the right to pursue any available legal or equitable remedies.

10. Survey Period:

After the Effective Date, the County shall have access to the Leased Premises during business hours for the purpose of performing necessary engineering surveys and inspections, and propagation or electronic testing of its equipment ("Testing") relating to the County's proposed use of the Leased Premises. The County shall cooperate with any reasonable request by Owner concerning the timing, manner and location in which all Testing shall be performed. Landlord reserves the right to have a representative of Landlord present at any and all Testing. The surveys and inspections by the County may not disturb any of the Leased Premises without Landlord's consent, and the County will restore to its prior condition any portion of the Leased Premises disturbed by the County within ten (10) days of any disturbing activity. If the LGTCA is amended to increase any of these limits, then the increased limits shall automatically apply to this Lease. The County shall also maintain workers'

compensation insurance or self-insure as authorized by law.

14. Access:

At no time shall the Landlord have access to the interior of the County's shelter or to its generator.

The County, and its authorized engineers, employees or contractors or persons under their direct supervision, shall have access to the Property, including the roof of the building on which the Communications Equipment is located, only for the purposes of accessing said Communications Equipment to install, operate or maintain the Communications Equipment, including any Testing allowed herein.
