A. Pursuant to Md. Land Use Code Ann., § 17-101, et seq., as amended, the Commission has responsibility to acquire, own, operate, and maintain property within Montgomery County, Maryland, for purposes set forth therein.

B. The Commission is the owner of that certain land and building generally known as 18410 Muncaster Road, Rockville, Maryland 20855, located in Rock Creek Regional Park (the “Park”), and has designed and constructed an activities center known as “Agricultural History Farm Park Activities Center” at the Park (the “Center”).

C. Pursuant to an Agreement dated May 24, 1972 made by the Commission and Montgomery County, the Commission is responsible for operation and control of all parkland acquired with certain County-derived funds, and is entitled to the receipt of all rents and income from said parkland buildings, which include the Center.

B. Renewal Term. Subject to the Commission’s approval and limitations contained herein, the County may have the option to extend this Lease for four additional renewal terms of four year periods each (each being a “Renewal Term”),
whereby each Renewal Term would commence immediately after the expiration of the Initial Term or the immediately preceding Renewal Term, as the case may be. If a Lease term is extended, then all of the terms, conditions and covenants in the Lease shall apply during any of the aforementioned Renewal Terms, unless otherwise amended in writing by the parties. The Commission reserves the right to deny the County’s request to exercise any such option to extend the term in its sole discretion, provided the Commission so denies such request within 60 days of the Commission’s receipt of the County’s request to extend said term.    Silver Spring, Maryland 20903

   B. **Due Date.** Rent shall be due and payable on the first day of each month during the Term. If the Lease commences on any day that is not the first day of a month, then any Rent payable for that first month shall be prorated. Failure to pay the Rent by the fifth (5th) day of the month shall result in a late fee of ten percent (10%) of the Rent then due.

funds. The Commission does not waive any claims which arise from the County's
performance of its obligations under the Lease prior to the date of non-appropriation.

(2) If the County, in its sole discretion, elects not to appropriate funds
for payment of rent in future years of this Lease, then this Lease shall automatically

Such notice will clearly state the number of months, if any, in the upcoming fiscal year for which the County has appropriated funds sufficient to pay rent and will state the date by which the County will vacate the Leased Premises. If this Lease is terminated under this section, the Commission, in addition to waiving all claims for any damages, shall not be entitled to reimbursement of any kind, whether for the cost of unamortized build-out, fit, finishes, or for rent abatement, or other expenses incurred by Commission under this Lease.
