LEASE AGREEMENT

THIS LEASE AGREEMENT ("Lease"), dated as of this 12 day of March, 2018 (the "Effective Date") by and between MONTGOMERY COUNTY, MARYLAND, a political subdivision of the State of Maryland (hereinafter, together with its successors and assigns called "the County" or "Landlord"), and ARTPRENEURS, INC. (doing business as Arts on the Block), a 501(c)(3) corporation of the State of Maryland (hereinafter, together with its successors and assigns called "Tenant") (the County and Tenant together the "Parties" and individually a "Party").

BACKGROUND

The County is the owner of the property located at the intersection of Wayne Avenue and Fenton Street in Silver Spring, Maryland with a street address of 900 Wayne Avenue and more particularly described in Exhibit A attached hereto (the "Property");

The County has constructed a building on the Property consisting of the Silver Spring Library operated by the Montgomery County Department of Public Libraries, and other facilities including the "Leased Premises" (as defined hereinafter) ("Silver Spring Library Complex");

The United States Postal Service (USPS) has a temporary license to occupy the Leased Premises until February 28, 2019 ("USPS License");

Tenant is a 501(c)(3) non-profit corporation primarily offering training and education in the arts. Tenant’s programs are focused on empowering creative youth to imagine and shape fulfilling futures and contribute to the quality of life in their communities by providing real-world experiences in the arts, educational guidance and entrepreneurial training.

The County desires to lease the Leased Premises to Tenant, and Tenant desires to lease the Leased Premises from the County for, among other things, the purpose of operating the Art’s on the Block Studio and an ancillary retail store, upon the terms and conditions set forth herein;

NOW THEREFORE, in consideration of the terms of this Lease, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

1. LEASED PREMISES; BASE BUILDING; TENANT BUILD-OUT; AND PROJECT SCHEDULE:

A. The "Leased Premises," as shown in Exhibit B attached hereto, shall consist of approximately 3,930 square feet of net usable space located on the ground floor of the Silver Spring Library Complex. Tenant shall have the right to hire an architect, at Tenant's sole cost, within one hundred (120) days following the delivery of the Leased Premises to measure the Leased Premises. In the event the architect's determination is more or less than 3,930 net usable square feet, Landlord and Tenant agree to execute an amendment to this Lease memorializing the actual net usable square feet in the Leased Premises, and all amounts hereunder based upon square footage shall be adjusted accordingly.
B. The Leased Premises are leased and conveyed by Landlord to Tenant and accepted by Tenant in "as is" condition as of the Commencement Date (as defined in Article 2 below).

C. Tenant's concept drawings ("Tenant's Concept Plans") for the Tenant Build-Out are attached hereto as Exhibit C and are hereby approved by Landlord. Prior to the commencement of the Tenant Build-Out, Tenant will submit updated construction plans to Landlord for approval and such approval shall not be unreasonably withheld, conditioned or delayed so long as the plans substantially comply with the Tenant's Concept Plans (the final plans are referred to herein as "Tenant's Plans"). The County shall deliver the Leased Premises to Tenant on March 1, 2019 (the "Delivery Date") "as-is."

D. Tenant shall pay all costs of the design, permitting, and construction for the Tenant Build-Out including all fit-out, finishes and FF&E.

E. Tenant shall select, with the approval of the County, the Tenant General Contractor ("TGC") to complete the Tenant Build-Out. The County's approval shall not be unreasonably withheld, conditioned or delayed. For purposes hereof, the County hereby approves all of the following contractors: HITT Contracting Inc., Rand* Construction Corporation, Clark Construction Group, and DPR Construction. Tenant shall make its selection of the TGC to perform the construction of the Tenant Build-Out in a timely manner so as to complete the construction of the Tenant Build-Out no later than eight (8) months after the date the Leased Premises is delivered to Tenant in the condition required herein. Tenant shall inform the County in writing of its selection of TGC. Tenant will obtain, at its cost, a one (1) year warranty against defects in materials and workmanship with respect to the Tenant Build-Out performed under such contract. The County itself does not, and shall not, warrant in any way the condition of the Tenant Build-Out of the Leased Premises, nor be liable for any defects in materials or workmanship in the Tenant Build-Out unless caused by latent defects in the Silver Spring Library Complex.

F. During the Term hereof, Tenant shall have, and during the Tenant Build-Out, Tenant, Tenant’s TGC and subcontractors shall have, Full Access (defined in Article 2 below) and shared use of utilities, loading dock, and all common areas of the Silver Spring Library Complex. Tenant shall coordinate Tenant's Build-Out with the County and agrees not to unreasonably interrupt the normal operations of the Silver Spring Library Complex except in the case of an emergency and Tenant agrees to minimize any such interruption. Any planned disruptions to utilities or other services or amenities to the Silver Spring Library Complex (including, but not limited to, use of elevators, loading docks and parking) must be approved, in writing, in advance, by the County, such approval not to be unreasonably conditioned or delayed. Tenant Build-Out must be performed in a professional, workmanlike manner and in compliance with Tenant's Plans approved by the County. Upon completion of the Tenant Build-Out, the County may inspect the Tenant Build-Out for compliance with approved Tenant Plans. In the event the County determines, in its reasonable discretion, that the Tenant Build-Out is not in compliance with the approved Tenant's Plans, Tenant, at Tenant's sole cost and expense, shall bring the Tenant Build-Out into compliance with the Tenant's Plans approved by the County. References to the County herein are intended to be to the County, as a property owner and landlord under this Lease, and not with regard to the County acting in any other specific
governmental capacity, including for the purposes hereof, for approving and issuing permits. Tenant hereby acknowledges that entering into this Lease shall not provide Tenant with an option to purchase the Property or any portion thereof.

2. TERM: This Lease shall be for a term of ten (10) years ("Initial Term") commencing on the Commencement Date and expiring at the end of the 120th month following the Commencement Date ("Expiration Date"). For purposes hereof, "Term" shall refer to the Initial Term and any Renewal Terms. Notwithstanding the foregoing, unless expressly set forth herein to the contrary, the obligations and rights of the parties herein (except for the payment of Rent) shall commence on March 1, 2019 above. The "Commencement Date" shall be the date of Substantial Completion of the construction of the Tenant Build-Out of the Leased Premises, but in no event later than eight (8) months following County's delivery of the Leased Premises to Tenant in the condition required hereunder. As used herein, "Substantial Completion" shall occur upon the issuance of a Use and Occupancy Permit for the Leased Premises, with the exception of any punch list items which do not interfere with Tenant's intended use of the Leased Premises. The actual Commencement Date and Expiration Date of this Lease shall be memorialized in a Lease Commencement Date Certificate in the form attached hereto as Exhibit D to be executed by County and Tenant following the Commencement Date. As used above, "Full Access" shall mean Tenant's right to enter into the Silver Spring Library Complex, Property, Leased Premises, construct the Tenant Build-Out, and install its cabling, furniture and equipment in accordance with applicable permits issued for such work by the applicable regulatory agencies without unreasonable interference from the County, its contractors, agents or others acting through or on behalf of the County and to use all common areas of the Property and Silver Spring Library Complex including without limitation elevators, loading docks, stairwells, areas of ingress and egress, sidewalks, and outdoor and indoor areas. Tenant shall have access, ingress and egress to the Leased Premises at all times during the Term.

3. RENEWAL AND EARLY TERMINATION RIGHT: Tenant shall have the right to renew this Lease for two (2) additional five (5) year terms ("Renewal Terms") pursuant to and by providing the Renewal Notice in the form as attached hereto as Exhibit E not more than one hundred eighty (180) days and not less than ninety (90) days prior to the expiration of the then-current term of the Lease; provided that Tenant shall not be in default of any term of this Lease (beyond the expiration of all applicable notice and cure periods) at the time such Renewal Term commences. Notwithstanding the foregoing, and in addition to the termination rights set forth in Article 38 of this Lease: (i) Tenant may terminate this Lease by written notice to the County at any time during the six (6) month period prior to the expiration of the then-current term.

4. USE OF THE LEASED PREMISES:

A. Tenant shall be permitted to use the Leased Premises for the following business uses: artist studios, classrooms, offices, retail store, art gallery, event space, community art classes, storage space, and other uses related to Tenant's arts programs and development, arts advocacy, and/or community programs (collectively, the "Permitted Use").

B. In connection with Tenant's use of the Leased Premises, Tenant shall have the shared use of the display cases in the Library space of the Silver Spring Library Complex for
artistic displays and other organizational purposes. Such use shall be scheduled by the Silver Spring Library staff, and shall be shared among all occupants of the Silver Spring Library Complex.

C. Tenant agrees that its use of the Leased Premises, including any use of the Leased Premises by any Permitted Licenses and/or subtenants pursuant to Article 19, shall conform fully with all applicable zoning ordinances, and shall be subject to all applicable regulations, statutes, and permits for the use and occupancy of the Leased Premises as established by all appropriate authorities having jurisdiction over the Property.

5. RENT: County and Tenant agree that Tenant shall not pay any base rent for the Leased Premises during the Term. During the Term of this Lease, Tenant shall pay to County, in accordance with the terms herein, "Tenant's Proportionate Share of Operating Expenses" (defined in Article 9), the "Utilities Charge" (defined in Article 9) and Security Charges (defined in Article 9), (such payments are collectively referred to as "Rent"). All Rent payments should be mailed to Montgomery County Government, P.O. Box 829464, Philadelphia, Pennsylvania 19182-9464. Electronic payments may also be arranged. County may from time to time designate a new place for receipt of Rent by written notice to Tenant. Any payment by Tenant of less than the total Rent due shall be treated as a payment on account. Acceptance of any check bearing an endorsement, or accompanied by a letter stating, that such amount constitutes "payment in full" (or terms of similar import) shall not be an accord and satisfaction or a novation, and such statement shall be given no effect. County may accept any check without prejudice to any rights or remedies which County may have against Tenant. For any portion of a calendar month at the beginning or end of the Term, Tenant shall pay in advance the pro-rated amount of the Rent for each day included in such portion of the month. Should Tenant fail to pay monthly Rent in accordance with this Lease, and if Tenant's failure continues for more than ten (10) business days after Rent was due, Tenant shall pay to County, with Tenant's next monthly payment of Rent, a late fee equal to five percent (5%) of the monthly Rent; provided, however, that the late fee shall be waived for the first late payment in any twenty-four (24) month period. The late payment of Rent six (6) times in any calendar year shall be considered a substantial and material breach of this Lease, and likewise shall be subject to enforcement under default provisions of Article 16. Tenant shall pay all governmental taxes, charges, fees and assessments applicable to Tenant's leasehold estate in the Leased Premises, personal property, trade fixtures and inventory or other tax attributable to its use of the Leased Premises before they become delinquent. Notwithstanding anything to the contrary herein, the Parties agree that Tenant is only obligated to pay Rent so long as charges and costs for the utilities for the Leased Premises and Operating Expenses for the Property are actually being incurred by the County. As set forth in Article 9, Rent shall be due and payable, in advance, on the first (1st) of each month commencing on the Commencement Date.

6. PARKING: Tenant acknowledges that County does not grant Tenant the use of any parking spaces at the Silver Spring Library Complex and that public parking is currently available across Wayne Avenue in a public parking garage. At no time will any of Tenant's employees, contractors, guests, or other invitees be permitted to park on the Property with the exception that if designated handicap accessible spaces are available on the Property, then persons with valid hangtags or license plates who are at the Property transacting business for or with Tenant may use such spaces. County agrees that Tenant and its contractors shall have access and be
permitted to use, in common with all other occupants of the Silver Spring Library Complex, the drop off zone that abuts the alley behind the Silver Spring Library Complex. County agrees that Tenant and its contractors shall have access and be permitted to use the loading dock and bay during the Term of this Lease.

7. TENANT'S SERVICES AND COMMUNITY PROGRAMS: Tenant agrees to annually furnish certain services and community programs (collectively, the "Services and Community Programs") during the Term. Such Services and Community Programs will be substantially similar to the services listed on Exhibit F attached hereto. In addition, the Services and Community Programs are subject, from time to time, to review by the Silver Spring Regional Services Center Director and may be changed as agreed to in writing by the Tenant and the County.

8. HOLDOVER:

A. No Right to Holdover. Tenant shall have no right to holdover and continue to occupy the Leased Premises upon expiration or termination of this Lease without first obtaining the prior written permission of the County.

B. Holdover with Consent. If Tenant holds over after the expiration of this Lease with the County's consent, a month-to-month tenancy shall be created by such holding over, which tenancy shall be on the same terms of this Lease or such terms and conditions as the County and Tenant may otherwise agree in writing, provided, however, that in all cases (except for an Event of Default by Tenant) thirty (30) days' notice shall be required to terminate the tenancy created by such consented hold-over.

9. SERVICES TO LEASED PREMISES: Services and Utilities: Subject to the provisions herein, Tenant shall make all arrangements, in Tenant's name, whether with private providers, governmental authorities, or public utilities, for all services other than the utilities described below to the Leased Premises during the Term of the Lease, including without limitation telephone, cable, and internet. The County shall have no responsibility for such arrangements. The County agrees (at no cost to the County) to cooperate with Tenant's efforts to obtain services. The County shall provide, at its cost, access and supply of all utilities including, without limitation, gas, electricity, water, and sewage to the Base Building. County and Tenant agree that County is currently unable to separately meter the utilities including gas, electricity, water and sewage, for the Leased Premises and that County will arrange for and shall be responsible for the provision of such service to the Leased Premises. Tenant shall reimburse County each month a charge for such utilities (collectively, the "County Billed Utilities"). Beginning on the Commencement Date, Tenant shall pay County an annual amount for County Billed Utilities ("Utilities Charge"). For each of the first five (5) Lease Years (defined below) in the Term, the annual Utilities Charge shall not exceed Fourteen Thousand Sixty-Nine and 40/100ths Dollars ($14,069.40). The monthly installments during the first five (5) Lease Years shall not exceed One Thousand One Hundred Seventy-Two and 45/100 Dollars ($1,172.45). County and Tenant agree that such amount is based upon County's estimate of Three and 58/100ths Dollars ($3.58) per net useable square foot in the Leased Premises (the annual per square foot amount is referred to herein as the "Utilities Rate"). The foregoing estimated amount shall be adjusted, subject to the provisions herein, if the Leased Premises measures more or less than 3,930 net useable square feet. In addition, subject to the terms herein, the estimated amount shall be adjusted in the event separate metering of the Leased
Premises within the Silver Spring Library Complex takes place and an accurate actual usage can be determined. Commencing on the fifth (5th) anniversary of the Commencement Date and continuing on each anniversary thereof through the expiration of the Term, County shall be permitted to increase the annual amount of the Utilities Rate (per square foot), by providing Tenant with prior written notice, subject to the provisions herein, for the following Lease Year, based upon estimated usage by Tenant; provided, however, in no event shall such increase and the annual amount (and the amount Tenant is obligated to pay hereunder for such charges) exceed the maximum amounts set forth below:

Sixth Lease Year- $14,344.50 ($3.65 per sf)
Seventh Lease Year- $14,619.60 ($3.72 per sf)

Eleventh Lease Year- $15,798.60 ($4.02 per sf)
Twelfth Lease Year- $16,113.00 ($4.10 per sf)
Thirteenth Lease Year- $16,427.40 ($4.18 per sf)

Tenant shall not be liable for any additional charges in connection with County's administration of the utilities. County agrees to provide Tenant with copies of the utilities bills received from the utility providers following Tenant's written request.

A. Payment: Tenant shall pay the Utilities Charge to County in advance in
monthly payments on or before the first day of each month. Tenant shall pay all of the bills and expenses relating to Tenant's services on time and shall not permit any disruption of any service to any portion of the Leased Premises. County shall pay the utilities on time and shall not permit any disruption of any service provided by County to the Leased Premises by virtue of late or non-payment.

B. Maintenance of Leased Premises and Obligation of Landlord to Repair Building: Tenant agrees to maintain the Leased Premises, including the Tenant Build-Out, in good condition and state of repair throughout the Term. Tenant shall be responsible for all repairs and maintenance with respect to the Leased Premises, except for any necessary repairs and maintenance associated with the Base Building, which shall be the responsibility of the County, and which shall be performed promptly and in a good and workmanlike manner. Any and all other costs attributable to the repair, maintenance, or operation of the Leased Premises, including cleaning and janitorial services for the Leased Premises, shall be the obligation of Tenant, and Tenant shall pay the same as and when due. Cleaning and janitorial services for the Leased Premises shall be comparable to or better than the cleaning and janitorial services generally provided for the Silver Spring Library by the County, so that the condition of the Leased Premises are at all times maintained in a clean and first class condition consistent with the conditions maintained for the operation of the Silver Spring Library by the County. The County agrees that it will undertake the repair and reconstruction of the Silver Spring Library Complex in connection with any fire or other casualty, subject to, limited by and contingent upon appropriations for the deductible and the receipt of proceeds from County's property insurance carrier.

C. Operating Expenses: The County shall be responsible for any and all maintenance and services to the Base Building and Silver Spring Library Complex, to include, but not be limited to:

i. Repair and maintenance of roof and building envelope and Base Building Work;

ii. Repair and maintenance of Base Building plumbing, electrical, mechanical, and structural building systems, HVAC units, elevators and escalator;

iii. Provision of landscaping and snow and icemelting;

iv. Provision of dumpster and trash removal;

v. Provision of exterior window washing at a similar interval with other County facilities; and

vi. Provision of security system contract for Base Building (and not Leased Premises).

vii. Regular exterior pest control.
The costs incurred in connection with the provision of the above shall be deemed "Operating Expenses" and Tenant agrees to pay "Tenant's Proportionate Share of Operating Expenses" during each year of the Term. For purposes hereof, Tenant's Proportionate Share of Operating Expenses shall be calculated by multiplying the net usable square footage of the Leased Premises (currently estimated to be 3,930 sf) times the per square foot rate used by Montgomery County, Maryland to budget and bill for maintenance expenses across all facilities operated by Montgomery County, Maryland ("Maintenance and Common Area Cost Estimate"); the foregoing rate shall be verifiable through the public process and will be applied in a uniform and consistent manner. The rate in use on the Commencement Date is Four Dollars ($4.00 per sf); Operating Expenses shall not include the following (i) depreciation of the Silver Spring Library Complex, (ii) payments of principal and interest on any mortgages, deeds of trust, or other encumbrances upon the Silver Spring Library Complex; (iii) the cost of any repair, restoration, replacement or other item, to the extent County is actually reimbursed therefor by insurance, warranties, or condemnation proceeds; (iv) leasing commissions, attorneys' fees, and advertising costs incurred by County to lease space in the Silver Spring Library Complex to tenants or prospective tenants; (v) rental payments made under any ground lease, (vi) utility costs, construction costs, brokerage and leasing costs for the leasable area of the Silver Spring library itself and to the extent possible, any areas which are leased to other tenants (it being understood that Operating Expenses shall include utility costs for the Base Building systems and (vii) costs for the repair or replacement of the roof or Base Building that would normally, under the County's accounting procedures be considered a capital improvement. Beginning on the Commencement Date, and continuing through the Term, Tenant shall pay County monthly installments of Tenant's Proportionate Share of Operating Expenses, based upon County's estimate of One Thousand Three Hundred and Ten and 00/100ths Dollars ($1,310) (the foregoing estimate is based upon an annual cost of Four and no/100ths Dollars ($4.00) per usable square feet in the Leased Premises). Such payments shall be due on or before the first (1st) day of each month. County shall promptly notify Tenant in advance of the annual Maintenance and Common Area Cost Estimate for each year, with reasonable evidence of such costs contained in the notice. Notwithstanding anything herein to the contrary, County and Tenant agree that through December 31, 2024, Tenant's Proportionate Share of Operating Expenses for each calendar year (on an annual basis) during the Term (and the amount payable by Tenant) shall not exceed Fifteen Thousand Seven Hundred and Twenty and 00/100ths Dollars ($15,720) (based upon Four and no/100ths Dollars ($4.00) per net usable square feet in the Leased Premises) (the "Operating Expense Cap") (such amount shall be prorated for any partial calendar year).

Commencing on January 1, 2025 and continuing on each anniversary thereof through the expiration of the Initial Term and any Renewal Term thereafter, the Operating Expense Cap shall increase, subject to the provisions herein, to the amounts below:

Sixth Lease Year- $16,034.40 ($4.08psf)

Seventh Lease Year- $16,348.80 ($4.16psf)

Eighth Lease Year- $16,663.20 ($4.24psf)
Ninth Lease Year- $16,977.60 ($4.32psf)

Thirteenth Lease Year- $18,392.40 ($4.68psf)
Fourteenth Lease Year- $18,746.10 ($4.77psf)
Fifteenth Lease Year- $19,139.10 ($4.87psf)
Sixteenth Lease Year- $19,532.10 ($4.97psf)
Seventeenth Lease Year- $19,925.10 ($5.07psf)
Eighteenth Lease Year- $20,318.10 ($5.17psf)
Nineteenth Lease Year- $20,711.10 ($5.27psf)
Twentieth Lease Year- $21,143.40 ($5.38psf)

D. Temperature and Humidity Control: The HVAC equipment provided by the Tenant shall be fully responsible for meeting any requirements for temperature and humidity levels in the Leased Premises. In the event that it becomes necessary to install window coverings on or apply film to the exterior facing windows to aid in temperature control, all such installations must be approved in writing by the County which approval shall not be unreasonably withheld, conditioned or delayed, prior to installation. Any such installation in the Leased Premises will be at Tenant's sole cost and expense.

E. Security: The County assumes no responsibility or liability for the personal safety and security of Tenant's employees, patrons, students or contractors or for the security of Tenant’s business personal property or equipment. Tenant shall have the right to install a separate security system in the Leased Premises, at Tenant's sole cost, both for installation and monitoring. The County will require Tenant to use the County’s security system to control off-hour entry into the Silver Spring Library Complex and will provide up to ten (10) access cards, at Tenant's request. Tenant must reimburse County for the actual cost charged to County for each access card. Tenant may choose, at its own cost, to extend this security system to the entrances into the Leased Premises and the County will cooperate with Tenant. Security within the Leased Premises shall be provided by Tenant as it determines what best meets its needs and shall be at Tenant's cost and expense. The County shall provide contract security services to patrol the common areas of the Base Building. The cost of this service will be allocated among all occupants of the building and shall be a separate charge defined as Security Charge, over and above the Operating Expenses as defined in this Article 9E. The allocation shall be done on a per net square foot of occupancy
basis. The per net square foot cost as of the date of this Lease is $00.61. The Security Charge will not be subject to the Operating Expense Cap, but will be a straight pass-through of the actual cost of the contracted services.

10. **ALTERATIONS SUBSEQUENT TO TENANT BUILD-OUT:** After the Commencement Date, Tenant shall not make any interior or exterior alterations to the Leased Premises (whether structural or non-structural) ("Alterations") without the prior written approval of the County, which approval may be granted or withheld in the County's sole discretion; provided, however that County's consent shall not be required for cosmetic alterations on the interior of the Leased Premises that do not exceed Twenty Thousand Dollars or for Alterations required in connection with any repair to the improvements installed as part of the Tenant Build-Out or required by applicable law.

11. **NON-DISTURBANCE AND QUIET ENJOYMENT:** The County covenants and agrees that, at all times during the term of the Lease and any extensions thereof (provided that Tenant is not in default under the Lease), Tenant shall peaceably and quietly have, hold and enjoy the Leased Premises, without interruption or disturbance from the County or anyone claiming through or under the County, subject to the terms of the Lease.

12. **FIXTURES AND EQUIPMENT:** All items which are attached to the Base Building or are a part of the Base Building's systems at the time the Leased Premises are delivered to Tenant shall be considered part of the Base Building and shall remain the property of County. All moveable partitions, trade fixtures, or equipment installed within the Leased Premises at Tenant's expense, including as part of the Tenant Build-Out, shall remain the property of Tenant and may be removed by Tenant at or prior to the expiration or earlier termination of this Lease. Upon the expiration or earlier termination of the Lease, Tenant, at its sole expense, shall repair any damage to the Leased Premises caused by such removal so that the Leased Premises are in substantially the same condition as at the Commencement Date, excepting reasonable wear and tear and items which are County's obligation. Tenant shall have no obligation to remove any fixtures installed pursuant to Tenant's Plans.

13. **INSURANCE:** Tenant shall at all times during its presence (or that of its agents, contractors, or employees) on the Property (including during the Tenant Build-Out) maintain commercial general liability insurance as approved by the County, including workers' compensation, and contractual liability insurance, insuring Tenant's indemnity obligations under the Lease, and such other customary insurance coverage for similar organizations as may reasonably be required by the County in amounts and form as specified on Exhibit G attached hereto. Prior to any entry by Tenant, or anyone at Tenant's direction, onto the Property, Tenant shall deliver to the County certificates of insurance (and, if required by the County, complete copies of the insurance policies) evidencing such insurance is in full force and effect. Landlord shall maintain property insurance at all times during the Term in an amount equal to eighty percent (80%) of the full replacement value of the Silver Spring Library Complex ("Landlord's Property Insurance").

14. **INDEMNIFICATION:**

   A. **Tenant's Indemnification.** Tenant agrees to defend, indemnify, and hold the
County harmless from any and all claims of liability, actions, damages and expenses, including, but not limited to, for death or injuries to person or property damages, reasonable attorneys' fees, and litigation costs ("Claims"), to the extent they arise out of or related to (i) Tenant's design, construction (including installation of equipment), use, or possession of the Leased Premises, (ii) any breach of this Lease by Tenant, or (iii) any claim, action, damage, liability, or expense occasioned wholly or in part by any act or omission of Tenant, its agents, contractors, guests or employees, (including any environmental enforcement or clean up action); provided that Tenant shall not be liable for matters resulting from the negligence or intentional misconduct of the County, its agents, employees or contractors.

B. **Indemnification for Artistic Content**. The County hereby acknowledges and agrees that it will have no approval rights with respect to the artistic content within the Leased Premises. Tenant shall be solely responsible for and shall defend and indemnify and hold the County harmless from and against any and all claims, liabilities, demands, suits, or causes of actions, judgments, obligations, fines, penalties, costs and expenses, and reasonable attorneys' fees incurred by the County resulting from and/or arising out of, or in any way connected to any claims, suits, or proceedings brought against the County based on the artistic content by Tenant or anyone permitted by Tenant to use the Leased Premises or the display cases in the Library space of the Silver Spring Library Complex, including actions for artistic infringement.

15. **TENANT'S DUTIES AND COVENANTS:**

A. **Waste**. Tenant shall not overload, damage, or deface the Silver Spring Library Complex, the Base Building, or the Leased Premises, nor suffer or permit any waste in or upon the Silver Spring Library Complex, the Base Building, or the Leased Premises.

B. **Storage of Flammable Material**. Except for standard cleaning supplies and supplies required or necessary for an art-related purpose, including but not limited to, paint, adhesives, grout and cleaning solvents etc. stored in accordance with all applicable safety laws and regulations, Tenant shall not keep or store gasoline, other flammable material, any explosive, or hazardous material as defined under State and Federal and County laws and regulations, within the Silver Spring Library Complex, the Base Building, or the Leased Premises which shall increase the rate of fire insurance on the Base Building, the Leased Premises, or the Silver Spring Library Complex beyond the ordinary risk established for the type of operations described in Article 4 of this Lease. Any such increase in the insurance rate due to the above, or due to Tenant's special operations within the Leased Premises, shall be borne by Tenant. Tenant shall not willfully do any act or thing in or about the Leased Premises which may make void or voidable any insurance on the Base Building, the Leased Premises, or the Silver Spring Library Complex, and Tenant agrees to conform to all reasonable rules and regulations established from time to time by the County (as a governmental authority and not as a Landlord), the Maryland Insurance Rating Bureau, or any other authority having jurisdiction over such matters; provided, however, in the event of a conflict with the provisions of this Lease, the provisions of this Lease shall control.

C. **Use**. Tenant shall not permit any trade or occupation to be carried on or use made of the Leased Premises outside of the scope of this Lease as described in Article 4 hereof. Tenant shall not use, or allow to be used, the Leased Premises or any part thereof for any illegal
or unlawful purpose, and upon notice of any violation of law, shall take appropriate action to correct such violation. Tenant acknowledges that all of its responsibilities relating to the use or misuse of the Leased Premises and anything therein shall be construed to include use or misuse thereof by Tenant's agents, subtenants, employees, patrons, and guests.

D. **Signage.** Tenant shall be permitted throughout the Term hereof to install and to maintain exterior signage on the Silver Spring Library Complex in one or more of the locations set forth in Exhibit H, attached hereto, which may be amended from time to time with County's written approval and in a form mutually agreed upon by Tenant and County. The County may, at its sole discretion, provide and incorporate "Arts on the Block" as part of the library directional signage to the loading dock/book drop off area of the Silver Spring Library Complex. All Tenant signage on the exterior of the Silver Spring Library Complex shall comply with all applicable County, State, and Federal laws and shall be subject to written approval by the County in its capacity as owner of the Leased Premises, which approval shall in the County's sole discretion. Except as permitted herein, any placard, sign, lettering, or awning (a "Projection") on the exterior of the Leased Premises (and/or the Silver Spring Library Complex) must first be approved by the County in writing and shall not be constructed, installed, or placed anywhere on or about the Property, the Silver Spring Library Complex, or the Leased Premises without County approval. Any such sign or Projection must be permitted under Montgomery County Zoning Ordinance, 2014, as amended, (the "Zoning Ordinance") or a variance must be obtained from the Montgomery County Sign Review Board, which may withhold its approval for any reason, as permitted under the Zoning Ordinances and all signs (whether permitted by right or through a variance) must obtain permit approval from the Department of Permitting Services. Following termination of this Lease, Tenant shall remove any and all exterior signs erected by or on behalf of Tenant and shall pay for or repair any damage caused by the installation or removal of such signage.

E. **Authority.** Tenant verifies and acknowledges that the person executing this Lease on behalf of Tenant has the legal authority to bind Tenant to the duties and obligations set forth herein. Tenant further verifies and acknowledges that such person's signature creates a binding obligation on the part of Tenant for the Term of this Lease. Tenant verifies and acknowledges that it is in good standing and/or qualified to do business in the State of Maryland.

16. **DEFAULT:**

A. **Events of Default.** Each of the following shall constitute an event of default ("Event of Default"): 

B. Tenant's failure to timely pay Rent or any other amount due under this Lease within five (5) business days after receipt of a written notice from County ("Default Notice").

C. Failure to substantially perform under any term, covenant, or condition of this Lease (other than the payment of Rent), and the continuance thereof for thirty (30) days after written notice from the County specifying said failure or, if such failure may not be reasonably cured within 30 days, such greater time as may be reasonably required to correct such failure with Tenant acting diligently; provided, however, such thirty (30) day period shall be extended to ninety (90) days in connection with a failure to perform pursuant to Article 7 herein or any failure to perform pursuant to any Rule or Regulation.
D. The commencement of any involuntary action or proceeding for the
dissolution or liquidation of Tenant or for the appointment of a receiver or trustee of Tenant's
property, and the failure to discharge any such action within one hundred twenty (120) days, or the
making of any general assignment for the benefit of Tenant's creditors.

E. County Remedies. Upon occurrence of an Event of Default by Tenant, the
County is entitled to all remedies available at law or in equity, including, but not limited to, the
right to terminate the Lease and the right to re-let the Leased Premises (if the Lease has been
terminated). Any termination of this Lease shall be effectuated by appropriate proceedings brought
in any court of competent jurisdiction in Montgomery County, Maryland. Notwithstanding the
termination of this Lease, Tenant shall remain liable for any and all claims, costs, damages,
expenses, fees, liabilities, and losses suffered by or incurred on behalf of the County as a result of
Tenant's Event of Default, including all reasonable attorney's fees and any costs the County incurs
in recovering possession of the Leased Premises; provided, however, the County shall exercise
reasonable efforts to mitigate any damages that the County may suffer as a result of any Event of
Default by Tenant. The foregoing shall not obligate the County to lease to any tenant it deems
unsuitable.

F. No Waiver. In the event that proceedings shall at any time be commenced
for recovery of possession as aforesaid and a compromise or settlement shall be effected either
before or after judgment whereby Tenant shall be permitted to retain possession of the Leased
Premises, then such proceedings do not constitute a waiver of any condition or agreement
contained herein or of any subsequent breach of this Lease. No waiver of any breach of any
condition contained herein shall be construed to be a waiver of any other condition or of any
subsequent breach thereof.

17. EMINENT DOMAIN:

A. Landlord Right. The County is entitled to receive any award from a
governmental authority for the fair market value of the Property and any improvements paid for
with County funds located on the Property, including the Silver Spring Library Complex.

B. Tenant Right. Tenant is not precluded from claiming, proving, and
receiving, in a separate claim filed by Tenant against the authority exercising the power of eminent
domain, such sums to which Tenant may be entitled as compensation, provided that such a separate
claim does not interfere with or reduce the County's award for the fee interest, the Base Building,
and any improvements in the Leased Premises paid for by the County.

C. Right to Terminate. The County or Tenant may terminate this Lease upon
exercise of eminent domain by a condemning authority that renders the Leased Premises unfit for
the use and purpose set forth in Article 4 herein (unless only for a temporary period during which
all Rent shall abate until use of the Leased Premises is restored), and such termination shall be
effective upon the date of the taking by the condemning authority.

18. LICENSES AND SUBLEASING:

16
A. Permitted Licenses. Tenant shall have the right, with the County's written approval, which shall not be unreasonably withheld, conditioned or delayed, to grant licenses within the Leased Premises to other non-profit mission-related businesses, non-profit community organizations and/or non-profit service related entities ("Permitted Licenses"); provided that the use shall be permitted hereunder, and Tenant provides the County with copies of the license and supporting documentation regarding its compliance with these requirements prior to the effective date of each license for County's approval in accordance with Article 19B.2 below. Notwithstanding anything herein to the contrary, County's consent shall be deemed given in the event that the duration of the license is for a period of less than forty-eight (48) hours. All uses pursuant to this section of the Lease shall not conflict with the County's need to properly provide for the security of the Silver Spring Library and Silver Spring Library Complex.

B. County Consent for Tenant Licensing. Subleasing all or any part of the Leased Premises is strictly prohibited. Except for the Permitted Licenses, Tenant shall not license any part of the Leased Premises without the County’s express written consent, which consent may be granted or denied in the County’s sole discretion. The County’s written consent shall be obtained in the following manner:

i. Tenant shall submit to the County a copy of the proposed license, a description of the activities and uses proposed by license, proof of the licensee's ability to pay rent, adequately maintain its premises and otherwise comply with all terms and conditions of this Lease, and any other information pertinent to the proposed licensee’s use and occupancy as may be reasonably requested by the County. The licensee shall be "cost-neutral," such that the rent paid by the licensee shall be less than or equal to the sum of Tenant's cost associated with the applicable portion of the Leased Premises (including all maintenance, security, financing, and administrative costs, as well as capitalized costs of the Tenant Build-Out or other capital improvements).

ii. The County shall make a decision on the proposal and shall respond in writing to Tenant not later than thirty (30) days after receipt of all information required by this Article and any additional information that may be requested by the County. If the County does not provide a response within such thirty (30) day period, the County will be deemed to have not consented to the proposed license.

iii. The County may withhold consent for any license if the County determines, in its sole but reasonable discretion that such license will have a negative impact on the Property, Silver Spring Library Complex, Base Building, or Leased Premises or the Services or Community Programs to be provided under Article 7 of this Lease or on the surrounding neighborhood.

19. RIGHT OF ENTRY:

A. Repairs and Inspection. Tenant shall permit County, its agents or employees, at reasonable times and upon reasonable notice (not less than seventy-two (72) hours prior notice) to enter the Leased Premises without charge to: (1) examine, inspect and protect the Leased Premises; (2) to perform maintenance and repairs the County may in its reasonable discretion consider necessary or desirable; (3) during the final three (3) months of the initial term
or any extension thereof (provided Tenant has not exercised a renewal option) to exhibit the Leased Premises to prospective tenants; and, (4) enforce the terms of the Lease and take action, including an inspection of the Leased Premises at least annually, to assure that Tenant complies with its obligations under the Lease. The County retains all of its rights as a government entity to enter the Leased Premises as permitted by law and for all lawful purposes.

B. **Emergency Access.** In cases of an emergency involving imminent risk of injury or death to persons or damage to property, the County, its agents or employees, without prior notice to Tenant, may enter the Leased Premises; provided, however, that the County shall notify Tenant of any such entry under this Article 19 as soon as it is practicable under the circumstance.

C. **Locks.** Tenant may alter or change exterior locks installed on the Leased Premises provided it shall provide the County with keys to the new exterior locks installed in the Leased Premises the day of such alteration or change. County agrees to exercise reasonable efforts to comply with requests by Tenant's insurance companies and/or insurers of property located within the Leased Premises as same relate to the procedure for storing keys.

20. **RETURN OF THE LEASED PREMISES:**

A. **Tenant's Property.** At the expiration or earlier termination of the Lease, Tenant shall remove all of Tenant's property from the Leased Premises and return to the County all keys, locks, and other fixtures belonging to the County, in good repair, excepting reasonable wear and tear, damage by casualty, and items which are the County's obligation. In the event that Tenant's property is not removed from the Leased Premises after the expiration or earlier termination of this Lease, after written notice to Tenant and a reasonable opportunity to recover such property, the property remaining shall become the property of the County. The County shall dispose of such property in any manner it deems appropriate.

B. **Condition of Leased Premises.** Tenant shall return the Leased Premises to the County in the same condition as received at the beginning of the Initial Term (or in the case of permitted Alterations (including the Tenant Build-Out), in the same condition as when such Alterations were made) in "broom clean" condition, excepting reasonable wear and tear, damage by casualty, and items which are the County's obligation. At the time of expiration or earlier termination of this Lease, and at the County's or Tenant's option, Tenant shall participate in a walk-through with the County's agent or employee to inspect the Leased Premises.

21. **ASSIGNMENT:** Tenant shall not assign this Lease, nor shall any assignment hereof be effected by operation of law, without the prior written consent of the County, which consent may be granted or withheld in the County's sole discretion. Any assignment consented to by the County shall not relieve Tenant from any of its obligations under this Lease, and such consent by the County shall not be effective unless and until (i) Tenant gives written notice thereof to the County, which notice shall state the name and address of the proposed assignee, and identify the nature and character of the proposed use of the Leased Premises by such assignee, (ii) such assignee shall deliver to the County a written agreement in form and substance satisfactory to the County pursuant to which such assignee assumes all of the obligations and liabilities of Tenant.
hereunder, and (iii) Tenant shall deliver to the County a copy of the proposed assignment agreement. Tenant shall also provide any additional information the County reasonably requests regarding such proposed assignment. The County shall not approve any assignment if such an assignment results in any profit or financial gain to Tenant. Any assignment without the County's written consent may be declared null and void by the County and, at the County's election, constitute an Event of Default hereunder. Notwithstanding the foregoing, Tenant shall be permitted to assign this Lease to any non-profit entity who acquires all or substantially all of the shares of stock in Tenant and/or any non-profit entity that results from a conversion of tenant to a limited liability company or partnership and continues the mission of Tenant.

22. CUMULATIVE REMEDIES: Except as otherwise expressly set forth herein, all remedies granted in this Lease and otherwise provided by law shall be cumulative and, unless inconsistent, may be exercised separately, concurrently, or successively.

23. BENEFIT AND BURDEN: The provisions of this Lease shall be binding upon and shall inure to the benefit of the Parties and each of their respective successors and assigns.

24. AUTHORITY: The County covenants that it has full right and power to execute and perform this Lease, and that it shall put Tenant into complete and exclusive possession of the Leased Premises, as set forth herein. The County verifies and acknowledges that the person executing this Lease on behalf of the County has the legal authority to bind the County to the duties and obligations set forth herein. The County further verifies and acknowledges that such person's signature creates a binding obligation on the part of the County for the Term of this Lease.

25. DISPUTES: The County and Tenant agree that any claim, action or dispute arising under or in connection with this Lease which is not resolved by agreement of the Parties shall be brought before a court of competent jurisdiction in Montgomery County, Maryland. THE COUNTY AND TENANT SPECIFICALLY WAIVE ANY RIGHT TO TRIAL BY JURY IN ANY COURT WITH RESPECT TO ANY CLAIM AGAINST THE OTHER ARISING OUT OF OR CONNECTED IN ANY WAY TO THIS LEASE.

26. WAIVER: The waiver, at any time by either of the Parties, of any particular covenant, condition, obligation, or duty under this Lease shall extend to the particular case only, and for the particular time and in the particular manner specified, and such waiver shall not be construed or understood as waiving any further or other rights of either Party. Failure by either party to exercise any right or seek any relief specified herein shall not constitute a waiver of any of such party's rights under this Lease.

27. NON-DISCRIMINATION: Tenant agrees to comply with the non-discrimination in employment policies in County contracts as required in Articles IIIB-33 and 27-19 of the Montgomery County Code (2014), as amended, as well as all other applicable federal, state and local laws, rules and regulations regarding employment discrimination. By signing this Lease, Tenant assures the County that in accordance with applicable law, it does not, and agrees that it shall not engage in any employment discrimination in violation of the above sections of the Montgomery County Code as well as any other applicable federal, state or local laws, rules and regulations. Tenant assures the County that in accordance with applicable law, it does not, and
agrees that it will not discriminate in any manner on the basis of race, color, religious creed, sex, marital status, national origin, ancestry, disability, sexual orientation or genetic status.

28. CONTRACT SOLICITATION: Tenant represents that it has not retained anyone to solicit or secure this Lease from the County upon an agreement or understanding for a commission, percentage, brokerage or contingent fee, except for bona fide employees of bona fide established, licensed, commercial selling or leasing agencies (the "Broker") maintained by Tenant for the purpose of securing business or an attorney rendering professional legal services consistent with the canons of ethics of the profession. Tenant is responsible for paying any Broker's fees or commissions for any Broker with whom Tenant has any contract or agreement and for paying all of Tenant's attorneys' fees in connection with the negotiation of this Lease.

29. ETHICS REQUIREMENT: Tenant understands and agrees that unless authorized pursuant to Section 11B-52 and Chapter 19A of the Montgomery County Code (2014), as amended, that it is unlawful for any person or entity transacting business with the County to employ a public employee contemporaneous with his or her public employment.

30. FORCE MAJEURE: Neither party shall be deemed in default with respect to the performance of any of the terms, covenants and conditions of this Lease if same shall be due to any strike, lockout, civil commotion, riots, war-like operation, invasion, rebellion, hostilities, military or insurgency, sabotage, epidemics, quarantine restrictions, acts of God, public restrictions and other acts of governmental agencies (other than the Landlord in its capacity as County), inability to obtain any material or service, through natural or other causes beyond the control of either of the Parties. For purposes of this provision, lack of funds shall not be considered a cause beyond the control of a Party.
