BUDGET (use this form ONLY)

INSTRUCTIONS: The following budget information is only for the **project** for which your organization is requesting funds. You should not include your organization's total operating budget.

In Column A, list the titles of all positions to be funded in whole or in part with CDBG funds.

In Column B, for each employee shown in column A, list the total hours per week to be spent on the CDBG project over the total hours worked in a week. For example, a staff person who works full-time on the project would be shown as 40/40, while an employee who works part-time (for example, 10 hours per week) on the project would be shown as 10/40.

In Column C, show the hourly rate to be paid for each position. For similar positions with different hourly rates (due to length of service, for example), either use different lines for each staff person, or use the highest rate for the position title.

In Column D, show the total CDBG budget for this line item (hourly rate times the number of CDBG hours.)

In Column E, show other project funds that will be allocated to each line item. This includes other funds such as grants from other governmental agencies or private foundations, or general operating funds provided by the organization.

Under the **FRINGE BENEFITS** section, show the percent to be applied for each line item under column C if you want to include fringe benefits in your project costs.

The **TOTAL SALARIES & BENEFITS** line should be the subtotal of all costs shown in Parts I, II and III. This figure will be included in the **GRAND TOTAL** under Part IV.

NOTE: Not all line items may apply; only fill in costs for items that you would want included in a cost-reimbursement contract with the County. those that apply. Applicants requiring assistance with this form should call DHCA at 240-777-3794 or 240-777-3631. Remember that funds will not be available until on or after July 1, 2024.
