WE WILL DISCUSS

1. MPDU Program Description
2. MPDU Program Eligibility
3. How to Buy an MPDU
4. Selling or Refinancing Your MPDU
5. How to Apply to the MPDU Program
6. What to Do Next
A Moderately Priced Dwelling Unit is a home you can buy at a lower price than a market priced home.

- MPDUs have a lower sales price in order to provide affordable housing in Montgomery County.
- For example, a property that would sell on the market at $300,000 would typically sell at about $175,000 in the MPDU program.
- Later, when you sell your MPDU, it will be at a lower price as well to keep the home affordable for other first-time homebuyers.
- The Montgomery County MPDU Program is run by the Department of Housing and Community Affairs (DHCA).
WHAT DOES THE MPDU PROGRAM DO?

**Educates**
- Provides trainings for applicants
- Approves eligible participants

**Creates MPDUs**
- Works with builders who construct MPDUs
- Matches builders and buyers

**Enforces MPDU Rules**
- Sets MPDUs prices
- Enforces covenants placed on MPDU homes
HOW ARE MPDUs CREATED?

The Moderately Priced Housing law, called Chapter 25A, requires all developers and builders to provide MPDUs in every new subdivision that has 20 or more housing units.

At least 12.5% of the homes in each subdivision must be MPDUs.

ARE THERE ANY RESTRICTIONS ON MPDUs?

**YES.** The MPDU Program enforces covenants placed on the MPDUs.

What is a **Covenant**?
- A legal agreement or contract between two parties to do or refrain from doing something.

MPDUs have a 30-year “**CONTROL PERIOD**.”

What is a **Control Period**?
- A time during which you need to follow certain rules.
RULES OF THE MPDU PROGRAM

1. PRIMARY RESIDENCE
2. FULL-TIME OCCUPANCY
3. YOU CANNOT BUY A SECOND HOME
4. YOU MUST SHARE PROFIT WITH THE COUNTY WHEN YOU SELL THE MPDU AFTER THE CONTROL PERIOD
5. YOU CAN ONLY BUY AN MPDU ONCE IN A LIFETIME

- If you need to move, you must sell your MPDU.
- When you decide to sell your MPDU, you must sell it through the MPDU program.
- You can only sell your MPDU at the MPDU resale price, not the market price.

4. YOU MUST SHARE PROFIT WITH THE COUNTY

c. For Approved MPDU Sales Program Certificate Holders

1. Program Rules
2. Random Selection Drawings (formerly known as the Lottery process)
3. View MPDUs for Sale

Go to Section C – Click on “View MPDUs for Sale.”

Sign up online with your certificate number for the Random Selection Drawings for MPDUs in which you are interested.

You must enter the drawing by the Random Selection Entry Deadline.

The Results of the Random Selection Drawing are posted on the MPDU website within one day of the date of the drawing. ONLY certificate numbers are listed to protect your privacy.

Note: You will NOT receive a call from the MPDU Office about any available MPDUs or the results of the drawing. Please visit the MPDU webpage for the results.
Within a week or two:

• The **builder will contact** selected households depending on the MPDUs available. Households will be contacted by phone and/or e-mail to set up an appointment. The first person on the list will be offered the MPDU first, and so on down the list.

• If you are contacted, you will meet with the builder to see floor plans and choose options or upgrades that the builder may offer. (Examples: carpet upgrade; finishing a basement.) The maximum price for options is 10% of the MPDU sales price.

• If you wish to buy the MPDU, you must sign a contract (you have 48 hours after the meeting to decide). Any adult listed as a participant on your MPDU certificate must sign the required sales documents.
IF YOU ARE CONTACTED, BE PREPARED!

BRING with you:

1. Your original MPDU Certificate of Eligibility signed by all adults in the household.
2. A check or money order for a deposit of 1% of the purchase price.

YOU WILL SIGN:

✓ Sales contract.
✓ Purchaser’s Agreement Form, by which you promise to follow the MPDU rules.
✓ Receipt of MPDU Covenants* – a form that says you have received the MPDU rules that apply to your property and a copy of the current MPDU law.

(*The MPDU Covenants define the MPDU rules for a development.)
WHAT HAPPENS AFTER I SIGN THE CONTRACT?

Meet with a lender to get a final loan approval (it does not have to be builder’s lender).

Note: No ARMS (Adjustable Rate Mortgage) or Interest Only loans are accepted.

Keep your documents up-to-date to take to the lender. (All adults who will be on the loan must provide all their financial documents).

Maintain good credit:

Do not buy a car or make other expensive purchases before you buy your MPDU.

Avoid new credit cards.
WHEN CAN I MOVE TO MY MPDU?

When you sign your contract, your MPDU will probably not be built yet. It may take several months to build. The builder will contact you to let you know when the MPDU is ready.

You can move in after:

- The MPDU has been built
- Your final loan has been approved
- Settlement has occurred*

(*Settlement is an appointment at which you sign the legal sales documents and get the keys)

Do NOT breach your rental lease if you are uncertain of your move-in date for your MPDU. Tenants are responsible for any remaining monthly rent expenses if the lease term has not expired. If you have questions about rental lease requirements contact the Office of Landlord-Tenant Affairs at 240-777-0311.
HOW DO I PAY FOR MY MPDU?

- The MPDU Program does not offer financing or financial assistance to help you purchase an MPDU. However, loans with favorable terms are available from the Housing Opportunities Commission (HOC).
- You must get a Mortgage Loan from a lender.
- You will need savings for a deposit, down payment and closing costs.
- MPDU owners are responsible for all home maintenance, home improvements, condo and homeowner association (HOA) fees (if applicable).
SAVE MONEY FOR YOUR MPDU PURCHASE

MPDU Sales Price: $165,000

Down Payment (about 5%): + 8,250
Closing Costs (about 4%): + 6,600
Seller Contribution (about 3%) - 4,950

Savings Needed: $9,900

ESTIMATE OF HOW MUCH MONEY YOU WOULD YOU NEED TO PURCHASE AN MPDU
Some Years Have Gone By Since You Purchased Your MPDU...

You are thinking about moving because:

• Your household size has increased or decreased.
• You have changed jobs and/or want a shorter commute.
• You want to live in another community, city, or state.
• You want your children to attend another school.
• Any other reason.
The MPDU Program allows you to SELL YOUR MPDU at ANY TIME

Remember, the longer you live in your MPDU, the more benefits you will receive.

- A larger increase in your MPDU price
- Tax advantages for a longer period
- The money you get at the resale of your MPDU (equity) represents savings that you can use to purchase your next home.
**RESALE PRICE CALCULATION FOR MPDUs**

When you want to sell your MPDU during the 30-year control period, the MPDU Office will calculate the price at which you may sell your MPDU, as follows:

1. **Original Purchase Price in 2010**  
   - $160,000

2. **Inflation (2010 – 2020) = 16.3%**  
   - + $26,000

3. **Eligible Improvements* (up to 10%)**  
   - + $4,000

4. **MPDU Resale Price**  
   - = $190,000

*Save your contracts, permits and receipts for improvements

---

*IMPORTANT*
MPDU Resale Price: $ 190,000

Pay your Loan Balance: ($ 120,000)

You Get (Equity): $ 70,000

You can use this equity to buy your next home.
SELLING AFTER THE CONTROL PERIOD

30 Years Have Gone By Since You Purchased Your MPDU...

As part of the agreement with the MPDU Program, the MPDU owner is required to share one-half of the “Excess Windfall Profit” with Montgomery County.

The payment made to Montgomery County is called the Shared Profit. This money is used to finance and produce new affordable housing in Montgomery County for other low- and moderate-income households.
MPDU Purchase Price in 2010: $160,000

Market Sales Price in 2040: $550,000
MPDU Price in 2040: $350,000
Profit: $200,000

County Share of Profit (50%): $100,000

For the Owner:
One-Half of Profit $100,000
Plus Amount of MPDU Price $350,000

Seller Receives: $450,000
From the amount you get at your resale, you must pay your loan balance.

**Seller Receives:**  $450,000
**Pay your loan balance:**  ($120,000)
**You get to keep (Equity):**  $330,000

Use this equity to buy your next home. (You will also have to pay sales costs, such as realtor’s fees and closing costs).
**Before 30 Years**

- You must sell at the MPDU Price
- You keep all the increase in price of your MPDU
- The money you have left after you pay your loan balance, when you sell your home. It represents savings you can use to buy your next home

**After 30 Years**

- You may sell at market price
- You must share profit with the county
- Your equity will be the money you get after you pay the shared profit to the County and your loan balance
Can I refinance my MPDU?

What is refinancing?
• Changing your first loan for a new loan.

Why would I want to refinance my loan?
• You might get a better interest rate.
• Your monthly payments might be lower.

It will cost you some money to refinance.
• Refinancing can cost between 2% and 5% of a loan's principal.
• You will start a new mortgage, which in many cases requires an appraisal, title search, and application fees.
BEFORE YOU REFINANCE YOUR MPDU

Facts you need to know …

• You cannot refinance your MPDU for more than the MPDU price at the time of the refinance.

• The 30-year control period does not start again.

• You must request an MPDU Price from the MPDU Office before you go to the bank. The lender will ask you for a refinance letter from the MPDU Office.

• You cannot owe more money on your MPDU than the MPDU price at any time.

• MPDU Owners Are Not Permitted to Refinance an MPDU with a Reverse Mortgage.
  • The reverse mortgage program assumes that a housing unit has a "fair market" value (FMV). **MPDUs Do Not Have a Fair Market Value (FMV) During the Resale Price Control Period.**
Inform the MPDU Office if you decide to sell or refinance

- For MPDUs under controls: Request a resale/refinance price from the MPDU office.
- For MPDUs out of controls: Request a shared profit calculation from the MPDU office.

There is a limit to how much you can sell or refinance for

- For MPDUs under controls: The MPDU sale/refinance price is determined by the MPDU Office.
- For MPDUs out of controls: The MPDU may be sold at market price. The MPDU office sends the shared profit calculation.

Submit your request to the MPDU office at least 21 days in advance.
WHAT HAPPENS WHEN SOMEONE DOES NOT FOLLOW THE MPDU RULES?

Legal action by County:

- Fines
- Required repayment of illegally collected rent
- Forced sale of your MPDU
When you buy an MPDU, the MPDU must be your permanent residence and the unit cannot be left vacant.

You may sell your MPDU whenever you want.

When you sell your MPDU during the 30-year control period, you must request the resale price from the MPDU office.

When you sell your MPDU after the 30-year control period, you must share profit with the County. You can sell the MPDU at market price.
How to Apply to the MPDU Program

To apply:

1. Get all your **financial documents** ready for **all adults** in your **household**. Each adult must have the required documents to submit.

2. Become familiar with the MPDU application. Read it carefully before you submit your application. **Incomplete applications will not be accepted.**
WHO MUST BE LISTED IN MY APPLICATION?

Anyone who will be living in the MPDU: spouse, fiancé, children, parents, brother, sister or adoptive child.

- Children older than 18 years old are considered dependents if they are full time students.

The purpose of the MPDU program is to provide affordable housing in Montgomery County.

I sold my home in Texas two years ago. I can now buy an MPDU.

I never owned a home, but my spouse has. We can buy an MPDU.

The control period for MPDUs is 30 years from the date of settlement.

The MPDU Program will give me a loan to pay for my MPDU.

The MPDU Random Selection Drawing establishes a priority list for selling new and resale MPDUs.

I applied for the MPDU Program, but my certificate is expired. I can still participate in the Random Selection Drawing.

The MPDU and HOC programs are the same.

My household size is one person. I can’t buy a 3-bedroom townhouse, unless it is a resale and no other certificate holder wants to buy it.

If I decide to buy another home, I can rent out my MPDU.

I am applying to the MPDU Program with my Aunt Sally. She is not working, but she is listed on my income taxes as my dependent. I can count her as part of my household.
I bought an MPDU and I need to add or delete a name on the deed. The MPDU staff will do it for me.

I can sell my MPDU to my adult daughter/son without contacting the MPDU office.

Once the control period expires, I can sell my MPDU at market price. I will have to give the County 50% of the extra profit so that the County can use the funds to provide more affordable housing in Montgomery County.

I bought an MPDU eight years ago as a single parent. Now I am getting married and buying a house with my husband. My son is an adult now and is still living in the MPDU, so I am fulfilling the “Owner Occupancy” rule for the MPDU.

My husband and I bought an MPDU together, but we are now getting divorced. I can continue to live there with my children, if he agrees to leave the home to me.

I can refinance my MPDU for the appraised market value.

I can sell my MPDU that is still under control period, to anyone I want at the price I want.

Montgomery County 311 or 240-777-0311 is the designated number for the MPDU office if I have a question that is not covered in my class material or I cannot find the answer on the MPDU website.
