Dear Workforce Housing Homeowner:

You are receiving this letter because you are listed as the primary homeowner of a Workforce Housing (WFH) residence. Montgomery County Code, Chapter 25B, Code of Montgomery County Regulations (COMCOR), Chapter 25B, and WFH covenants recorded on your property outline certain requirements to be met throughout your ownership of your WFH unit. Among other requirements, WFH homeowners must occupy their WFH residence as their primary residence during the 20-year control period and must annually verify their compliance with this occupancy requirement.

The following are excerpts from COMCOR and the WFH Covenants regarding the obligation of WFH unit homeowners to occupy their unit as their primary residence and to annually verify such compliance:

County Code 25B.24.01.02.7 Primary Residence Requirement for WFH Units states:

“(a) Except for the Department and Commission, tenants and owners of WFH Units must occupy the WFH Unit as their Primary Residence and must execute and submit to the Department a signed Purchaser’s or Renter’s Agreement provided by the Department at the date of original sale or rental, which certifies that he/she must occupy the WFH Unit during the entire control period or until the unit is sold or is relinquished in accordance with the Workforce Housing Law and these regulations. The tenant or owner must submit an annual re- certification stating, under the penalty of perjury, that the WFH Unit is their primary residence. If a WFH Unit owner dies, at least one heir, legatee, or other person taking title by will or by operation of law must occupy the WFH Unit as their Primary Residence during the control period in order to fulfill the occupancy requirements of this Section.”
