**NOTICE OF SCHEDULED ROAD CLOSURE  
ALDERTON ROAD**

December 3, 2019

Dear Resident:

This letter is to inform you of the upcoming, scheduled improvement project in your neighborhood along Alderton Road. The Montgomery County Department of Transportation's (MCDOT) Division of Highway Services (DHS) will be managing the project which will consist of the excavation of the existing storm drain culvert. A new, corrugated steel pipe will be installed with head walls on both sides of the road. This work was originally scheduled to take place this summer, however it was rescheduled due to operational reasons.

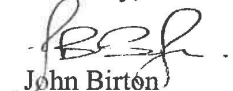

The work will be performed under contract by D & F Construction Co., Inc., The county right-of-way near your residence may be disturbed by the planned project improvements. The nearby area will be backfilled and graded with topsoil, grass seed, and straw following the completion of the project as disturbed areas within the county right-of-way will be restored as appropriate. The excavated sidewalk will be replaced in kind as soon as possible.

MCDOT anticipates this project beginning in early January 2020 and will take roughly three months to complete, weather permitting. Work hours are from 7 a.m. to 5 p.m. MCDOT apologizes for any inconvenience that this project may cause. A detour will be in place throughout the project. Please see the reverse of this newsletter for a detour route.

Your patience and understanding are appreciated during this important construction activity. If you should have any questions or comments feel free to contact Mr. John Birton, Program Manager, at 240-777-7616.

Should you have any general questions or concerns not related to this project, you may wish to contact MC311 at <http://www3.montgomerycountymd.gov/311/> or dial 3-1-1. We thank you for your cooperation and again we apologize for any inconvenience this project may cause.

Sincerely,

  
John Birton  
Program Manager  
MCDOT
