## BYEFORDE SIDEWALK & CURB/GUTTER PROJECT

Kensington, MD

### PURPOSE

This letter is to inform you of the upcoming Byeforde sidewalk and curb/gutter repair project from Cedar Lane to Saul Road. Please see the reverse side of this newsletter for the project map. This neighborhood preservation project employs long term strategies to improve sidewalk and curb/gutter conditions.

### SCHEDULE

This project is scheduled to start in late August and will take 6-8 weeks to complete, weather and other operational requirements permitting. Work hours will be between 7:00 AM and 7:00 PM, Monday through Friday.

### DRIVEWAY APRON AND LEAD WALK REPAIR PROGRAM

The Driveway Apron and Lead Walk repair program allows homeowners to take advantage of the county competitively bid contract prices to repair your existing Driveway Apron/Lead Walk. When work begins in your neighborhood, please contact the project inspector and he will inspect the Driveway Apron/Lead Walk then the inspector will leave instructions at your door.

### IMPACTS

The county right-of-way near your residence or business may be disturbed by the planned project improvements. Following the completion of the project all disturbed areas within the county right-of-way will be restored as appropriate. There will be no parking signs posted in advance of parking restrictions.
