## CLEARSPRING MANOR SIDEWALK & CURB/GUTTER PROJECT

**Damascus, MD**

### PURPOSE

This letter is to inform you of the upcoming Clearspring Manor sidewalk and curb/gutter repair project from Woodfield Road to Moyer Road. Please see the reverse side of this newsletter for the project map. This neighborhood preservation project employs long term strategies to improve sidewalk and curb/gutter conditions.

### SCHEDULE

This project is scheduled to start in late October and will take 4-6 weeks to complete, weather and other operational requirements permitting. Work hours will be between 7:00 AM and 7:00 PM, Monday through Friday.

### DRIVEWAY APRON AND LEAD WALK REPAIR PROGRAM

The Driveway Apron and Lead Walk repair program allows homeowners to take advantage of the county competitively bid contract prices to repair your existing Driveway Apron/Lead Walk. When work begins in your neighborhood, please contact the project inspector and he will inspect the Driveway Apron/Lead Walk then the inspector will leave instructions at your door.

### IMPACTS

The county right-of-way near your residence or business may be disturbed by the planned project improvements. Following the completion of the project all disturbed areas within the county right-of-way will be restored as appropriate. There will be no parking signs posted in advance of parking restrictions.

## LAWN SPRINKLER/INVISIBLE DOG FENCE INFORMATION

If your home has either a buried lawn sprinkler system or invisible-type dog fence installed, please make sure that the system DOES NOT extend into the county right-of-way. If it does, please mark the locations of buried pipe or wire so that our equipment can attempt to avoid it. However, such systems are not permitted by the County Code to be located in the right-of-way and neither the County nor its contractors are responsible for any damage to any systems located there. If you do not know the locations, look in your phone book under Utilities, Underground Cable, Pipe and Wire Locating Service. If you have questions related to your health and safety, please email Degan Bartels, PR & Outreach Manager, at [degan.bartels@montgomerycountymd.gov](mailto:degan.bartels@montgomerycountymd.gov)

SHOULD THE POLICE TOW YOUR VEHICLE, CONTACT THE  
POLICE NON-EMERGENCY NUMBER (301-279-8000.)
