

MONTGOMERY VILLAGE AVENUE CURB & GUTTER REPAIR PROJECT

Gaithersburg, MD

PURPOSE

This letter is to inform you of the upcoming Montgomery Village Avenue curb & gutter repair project from Mid-County Hwy to Wightman Road. Please see the reverse side of this newsletter for the project map. It will consist of replacement of damaged or deteriorated curb & gutter. Replacing or repairing existing inlets. The impact of traffic will be at minimum. The project employs long term strategies to improve concrete conditions.

SCHEDULE

This project is scheduled to start on March 17, 2025 and will take 3-4 weeks to complete, weather and other operational requirements permitting. Work hours will be between 9am and 4pm, Monday through Friday.

IMPACTS

The county right-of-way near your residence or business may be disturbed by the planned project improvements. We will do our best to keep traffic impacts to a minimum. Following the completion of the project all disturbed areas within the county right-of-way will be restored as appropriate.

SHOULD THE POLICE TOW YOUR VEHICLE, CONTACT THE POLICE NON-EMERGENCY NUMBER (301-279-8000.)

LAWN SPRINKLER/INVISIBLE DOG FENCE INFORMATION

If your home has either a buried lawn sprinkler system or invisible-type dog fence installed, please make sure that the system DOES NOT extend into the county right-of-way. If it does, please mark the locations of buried pipe or wire so that our equipment can attempt to avoid it. However, such systems are not permitted by the County Code to be located in the right-of-way and neither the County nor its contractors are responsible for any damage to any systems located there. If you do not know the locations, look in your phone book under Utilities, Underground Cable, Pipe and Wire Locating Service. If you have questions related to your health and safety, please email Verlinda Darden, PR & Outreach Manager, at verlinda.darden@montgomerycountymd.gov
