**NOTICE OF DRAINAGE PROJECT ON  
RANDOLPH ROAD**

Dear Resident:

This letter is to inform you of the upcoming storm drain replacement project in your community. The Montgomery County Department of Transportation's (DOT) Division of Highway Services (DHS) will be managing the project, which will consist of replacing the storm drain inlets along Randolph Road, between New Hampshire Avenue (MD 650) and Georgia Avenue (MD 97).

The work will be performed under contract by D & F Construction Co., Inc. and will include: Removing the existing aged catch basins and replacing with new storm drain inlets to restore proper drainage. The improvement includes replacing the existing storm drain manhole structure. The county right-of-way in front of your residence may be disturbed by the planned project improvements. Any disturbed areas will be restored directly after the storm drain repairs and during construction activities.

This project is scheduled to start on or about October 7, 2013, and will require approximately seven to ten days to complete, weather permitting. Work hours are from 7 a.m. to 5 p.m. This project will require temporary lane closures within the construction work zone. ;We apologize for any inconvenience this project may cause and appreciate your patience during the construction activity. If you should have any further questions or comments, you may wish to contact:

DOT Project Manager:                      Mr. Yisa Adegun                      240-777-7641

Should you have any further questions or concerns after the work is completed, you may wish to contact MC311 at <http://www3.montgomerycountymd.gov/311/>

We thank you for your cooperation and again we apologize for any inconvenience this project may cause. We will work with you to address any of your concerns.

Sincerely,

Yisa Adegun  
Project Manager
