Director

**NOTICE OF DRAINAGE PROJECT ON
3714 THORNAPPLE STREET**

Dear Resident:

This letter is to inform you of the upcoming emergency storm drainage improvement project in your neighborhood. The Montgomery County Department of Transportation's (DOT) Division of Highway Services (DHS) will be managing the project, which will consist of connecting a sump pump to the existing storm drain structure in the right-of-way between 3714 and 3716 Thornapple Street.

The work will be performed under contract by D & F Construction Co., Inc., and will include: Excavation of the asphalt pavement and the installation of an 8-inch PVC pipe to connect the sump pump to the existing storm drain structure. The driveway apron at 3716 Thornapple Street will be replaced during the drainage project. The county right-of-way in front of your residence may be disturbed by the planned project improvements. Any disturbed areas will be restored directly after the drainage repairs and during construction activities.

This project is scheduled to start on or about April 14, 2014, and will take approximately seven days to complete, weather permitting. Work hours are from 7 a.m. to 5 p.m. Parking will be restricted within the work zone during daily construction activities. We apologize for any inconvenience this project may cause and appreciate your patience during this important construction activity. If you should have any questions or comments feel free to contact:

DOT Project Manager: Mr. Yisa Adegun 240-777-7641

Should you have any further questions or concerns after the work is completed, you may wish to contact MC311 at <http://www3.montgomerycountymd.gov/311/>

We thank you for your cooperation and again we apologize for any inconvenience this project may cause. We will work with you to address any of your concerns.

Sincerely,

Yisa Adegun
Project Manager
