

NOTICE

To Public Parking Garage 11 Patrons

Due to regular electric service being turned off for routine improvements, **elevator service will be suspended in this garage from 11:00 P.M. on Thursday, June 18 to 6:00 A.M. on Friday, June 19. During this time, please use the adjacent stairwells. The emergency lighting system will be operating to provide sufficient illumination throughout the garage until regular electric service is restored.**

In the event of inclement weather or a system emergency, this planned electric outage will be rescheduled for 11:00 P.M. on Thursday, June 25 to 6:00 A.M. on Friday, June 26.

Thank you for your patience.
