

WHEATON

PUBLIC MEETING ON WHEATON REDEVELOPMENT PROJECT

Wednesday, December 11th at 7:00 pm
@ Wheaton High School (Cafeteria)
12601 Dalewood Dr Silver Spring, MD

Montgomery County Government is inviting the community to a second meeting with Stonebridge Carras/Bozzuto Development - the selected developer for the Wheaton Redevelopment Program. At the meeting, the current status of the proposed development plan will be shared along with details on the scope of the project and ideas for design. Just as it has done at the previous meetings regarding this project, the County would like the community's feedback as discussions progress for the development of a contract with the developer.
