

Montgomery County Department of Transportation

Division of Parking Management

REQUEST FOR ENERGY PROPOSALS

Procurements of on-site solar photovoltaic systems with financing, hosted by Montgomery County Parking Lot Districts.

ADDENDUM # 1

Acknowledge this addendum on form B.5

Date July 23, 2014

Item #1: Clarifications

Solar Providers, or teams of Solar Providers, must demonstrate sufficient experience developing relevant solar PV systems, which are defined as:

1. Experience developing at least five (5) projects totaling at least two (2) megawatts (MW) that are currently in commercial operation.
2. Experience developing at least one (1) multi-story parking garage, or similar structure. This requirement can be satisfied by either the Solar Provider or a proposed partner with demonstrated experience.

Item #2: Site Visit Schedule

1. Silver Spring garages site visit – July 31, 2014. Meet at 8530 Cameron Street, Silver Spring MD 20910, at 8.30 AM in front of the Parking office at the street level. We will cover Silver Spring garages only. The tour is expected to be concluded by 3.30PM.
2. Bethesda/Wheaton garages site visit – August 5, 2014. Meet at 7730 Woodmont Avenue, Bethesda, MD 20814, at 8.30 AM in front of the Parking office at the street level. We will cover Bethesda/Wheaton garages only. The tour is expected to be concluded by 3.30PM.
3. CALL-IN CONFERENCE CALL is scheduled at 1.00PM on August 7, 2014. The details are: Dial: (619) 326-2772
Access: 1183440#

Item #3: Attachment B2 - Pricing Proposal and Production Form

Attachment B2 is now posted online in Microsoft Excel format. Please refer to the RFEP for instructions to complete this form.
