MC-DOT Neighborhood Block Party Application (Rev May 2021)
Montgomery County, MD
Department of Transportation

Block Party / Neighborhood Event Requirements

1. The applicant must follow current Montgomery County COVID19 guidelines. Refer to the following link for the most recent guidelines: https://www.montgomerycountymd.gov/covid19/orders.html

2. The applicant must post signs (see Sign Illustration at the bottom of this page) notifying the public at least one (1) week prior to the day of the event. The signs must be posted on the right side of roadway facing traffic at the points of closure or at the beginning of each street along an event route. Sign lettering must be legible for motorists to see and comprehend.

3. There must not be any admission fees, sale of goods, services, or alcohol.

4. Traffic cones spaced no further than five (5) feet apart must be used to close the roadway(s) for block parties and other events where applicable. The County will be unable to provide traffic cones for your use; however, private local tool rental companies rent traffic cones. Traffic cones shall be a minimum height of 28” tall with two (2) 4” reflectorized bands around cone.

5. The applicant must provide a written notice three (3) days in advance of the event to residents of all properties abutting the roadway(s) listed on this permit.

6. Vehicle and pedestrian access to properties abutting the roadway(s) listed on this permit must be permitted where possible; Emergency Vehicles Shall Be Permitted Passage At All Times.

7. The Authority of the Department of Transportation extends only to permission to occupy a public right of way. Our issuance of this permit does not relieve the participants of their obligation to obey all applicable State and County laws. You may contact the Police if you desire information relative to any specific law (i.e. excessive noise, public nuisance, etc.).

8. County regulations permit the consumption of alcoholic beverages on those portions of closed roadway(s) approved for neighborhood block parties during the times listed on the permit.

9. The Emergency Communications Center, 301-279-8000, must be notified the day of your event.

10. Permittee must communicate / coordinate with the neighborhood civic association and / or homeowners association regarding the logistics of the event.

Sign Illustration and Details

Sign Details:
- Sign size shall be a minimum 30"H x 24"W
