SPECIAL EVENT GUIDELINES AND APPLICATION FOR MOVING AND STATIONARY EVENTS **(e.g. Races, Parades, Festivals, etc.)**

*THIS APPLICATION MUST BE MADE AT LEAST **TWO (2) MONTHS**
PRIOR TO THE DATE OF THE EVENT*

The applicant **must** follow current Montgomery County COVID19 guidelines. Refer to the following link for the most recent guidelines: <https://www.montgomerycountymd.gov/covid19/orders.html>

For large and complex events more time should be allotted for the review and/or modification of plans and possible coordination meetings

Review the Special Event Permit Application Guidelines carefully. Understanding of and compliance with these guidelines will assist in the smooth advancement of the application.

The Event Sponsor's authorized representative completes the MCDOT Public ROW Occupancy application form and attaches the following:

- (1) **Certification of Insurance** naming Montgomery County Government as the holder. Insurance Requirements are explained in the Mandatory Insurance Requirements in the application. Signature of Sponsor's Authorized Representative is required.
- (2) A descriptive traffic control plan.
The traffic control plan must address in detail how the sponsor will:
 - (a) minimize impact on, or alter normal traffic flow;
 - (b) provide for the safety and needs of event participants;
 - (c) implement the logistics;
 - (d) handle policing arrangements if required
- (3) A route narrative explaining the direction of travel, affected lanes, etc.
- (4) A suitable map highlighting the affected roadways.

After completing the permit application form and properly compiling the application package, the Event Sponsor's authorized representative **must** obtain police approval from the appropriate Montgomery County Police District(s) **before** submitting to DTEO. After receiving local police approval, the applicant will submit the completed application to DTEO (applicant should retain a copy for their records). Items (1) thru (4) **must** accompany each permit application.

For **ALL** events, the presence of law enforcement officers shall be required at each signalized intersection. Adult monitorsshall be placed at all non-signalized intersections.

If applicable, the Event Sponsor's authorized representative must secure the necessary permits from the Maryland State Highway Administration (MSHA), other public/private agencies and/or municipalities for the temporary use of their right-of-way. Advance planning is essential to ensure that all necessary permits and approvals are obtained.

Upon final determination by DTEO, we will notify the Event Sponsor's authorized representative, police and other public agencies of official approval/denial. If you have any questions, please contact us at TrafficOps@montgomerycountymd.gov or call 240-777-2190.

PUBLIC RIGHT-OF-WAY PERMIT SPECIAL REQUIREMENTS:

The applicant **must** follow current Montgomery County COVID19 guidelines. Refer to the following link for the most recent guidelines: <https://www.montgomerycountymd.gov/covid19/orders.html>

- (1) Signs notifying the public **must** be posted a minimum of one week prior to the event on the right side of all effected roadways where they intersect with major roadways. (see illustration "A" for sign details).

When applicable, "ROAD CLOSED" signs **must** be posted the day of the closure at the last **major** intersection where motorists can detour to avoid the closure (see illustration "D") and at the actual point of the closure (see illustration "C").

Lettering and symbols on the above described signs **must** be legible for passing motorists to easily see and comprehend.

- (2) Temporary parking restriction signs **must** be posted 72 hours in advance and remain posted for the duration of the event at locations where parked vehicles would conflict with the event. See illustration "B" for the required sign message and dimensions. Lettering and symbols **must** be legible enough to be easily seen and comprehended.
- (3) Traffic drums or cones (see illustration "E" and "F") **must** be used at all points of closure — starting areas, the crossing of intersections, locations where the route changes directions, and all driveways (except single family homes).
- (4) For the closure of a lane or a portion of a lane along a segment of roadway, the permittee **must** provide 28" high traffic cones or traffic drums placed no further than 40' apart to separate and define the portion of the roadway to be used for vehicle travel from that reserved for the event.
- (5) Traffic drums or cones **must** be in place just prior to the times allocated for the event (as specified herein) and removed as soon as the last participant clears each section of the event route (no later than the ending time as stated on the permit).
- (6) For races or moving events, a "LEAD and "CHASE" vehicles **must** be used in front and behind to ensure the safety of all participants during the event.
- (7) Residents and/or businesses of all properties fronting the subject road sections and/or those whose access is directly impacted by the event **must** be notified in writing by the permittee a minimum of 72 hours prior to the event.
- (8) Permittee **must** communicate / coordinate with the neighborhood civic association and / or homeowners association regarding the logistics of the event.
- (9) Permits do not grant exclusive use of the Right-Of-Way. Public access must be maintained at all times to businesses, residences, and along all sidewalks.
