Montgomery County Executive Marc Elrich and County Council President Kate Stewart Honor Veterans with Operation Green Light Initiative and Ride On Bus Unveiling

Montgomery County Executive Marc Elrich, County Council President Kate Stewart, members of the County Council, and Montgomery County Department of Transportation (MCDOT) Director Chris Conklin joined the County Commission on Veterans Affairs and community leaders yesterday in Rockville for the unveiling of the Ride On “Operation Green Light” themed bus at a ceremony to honor veterans.

Operation Green Light, a program sponsored by the National Association of Counties, honors veterans for their immeasurable sacrifices to preserve freedom. The program encourages displaying a green light in the window of homes or businesses from Nov. 4-11 to honor veterans. The campaign also aims to raise awareness of support resources available to veterans.

“We have focused on functional zero homelessness for veterans, meaning that we have enough housing available to act quickly to offer housing to every veteran who

needs it, and we've maintained this for the last decade. While we're proud of this achievement, we know that the current climate means we have to go further, ensuring that our veterans have the additional resources they need," said County Executive Elrich. "We continue to honor our commitment to veterans by working with community outreach organizations. I appreciate MCDOT's efforts promoting the resources available to support them. I encourage all veterans, and their families, to connect with the County's Commission on Veterans Affairs for ongoing support and services."

Speakers and community leaders arrived at the ceremony aboard MCDOT's Operation Green Light Ride On bus to the County's Memorial Plaza, located adjacent to the Leggett Executive Office Building in Rockville.

The ceremony commenced with a singing of the National Anthem by Richard Montgomery High School students Nala Ashe-Moncet and Alexa Thompson.

The bus is wrapped in a design featuring the U.S. flag, a silhouette of veterans, and highlighting Operation Green Light. The bus also features a neon sign reading "Operation Green Light" to illuminate the bus at night. The County Commission on Veterans Affairs website and resource line is printed on the back of the bus.

"I am proud to join this tribute to the members of the military community who call Montgomery County home," said County Council President Stewart. "Those who served in our armed forces have made tremendous sacrifices in support of our country. Operation Green Light allows us to come together in appreciation of their service and ensure they have the resources they need to thrive. Public transit is a lifeline for many of our community members, and I am happy to see these resources highlighted."

In addition, all Ride On buses will have informational cards on board with QR codes and a phone number for information for veteran's resources and services. Those services can be accessed by calling Serving Together at 855-738-7176 or visiting the Commission on Veterans Affairs website at montgomerycountymd.gov/veterans.

"We launched the Operation Green Light bus last year to show support for our veterans and raise awareness of the resources available to them," said MCDOT Director Chris Conklin. "The wrapped bus will circulate around the County throughout the month of November. In addition, we have placed signs on board all Ride On buses highlighting Operation Green Light and directing veterans to resources. All Ride On buses are now zero fare, ensuring cost is not a barrier to accessing essential services. We know many of our County's veterans rely on the

Ride On bus system, and our hope is that we can help connect them to crucial resources.”

The Operation Green Light bus will be deployed on bus routes throughout the County. Riders hoping to catch the Operation Green Light bus can follow @MCDOTNow on social media to find out where the bus is scheduled to run.

Look for photos of the Ride On Operation Green Light bus in motion on the MCDOT social media channels or by following the #OperationGreenLight hashtag. Riders are encouraged to post and share their bus photos in support.

Ride On is Thankful for You: A Message of Gratitude for Our Riders

As we approach the holiday season, we at Ride On want to take a moment to express our heartfelt thanks to you, our dedicated riders. Every day you put your trust in us – whether you're commuting to work, running errands, heading to class,

or exploring our community. Your support and feedback are vital to making our service better every day, and we are grateful for the opportunity to be a part of your journey.

This past year has been filled with enhancements, new routes, and expanded services, all designed with your convenience in mind. We've begun the rollout of the Great Seneca Transit Network, expanded our services and continued to improve accessibility and reliability across our routes. We are driven by the goal of providing you with safe, efficient, and reliable transportation. Your support and feedback drive us to continually enhance our services, and your patience and understanding during changes allows us to improve and grow, keeping us motivated to serve you better. None of this would be possible without you.

This Thanksgiving season, we want you to know how much we appreciate each one of you. Thank you for riding with us, sharing your journeys, and supporting the Montgomery County community. As we move forward, we're excited to bring you even better service and continue being a part of your daily commute. Here's to more rides together and many more exciting things to come in the future! Thank you for choosing Ride On and being a valued member of our Ride On community.

With Gratitude,

The Ride On Team

Need Food Assistance? Montgomery County Has Resources to Help

Montgomery County is here to support residents who may be experiencing food insecurity including previously furloughed federal workers, contractors, and anyone facing financial hardship. A wide network of local programs and partners are ready to help make sure no one goes hungry this holiday season.

Find Food Resources Near You

Start by visiting the [Montgomery County Food Resources Page](#), your one-stop hub for information on:

- Upcoming food distributions and meal delivery options
- SNAP enrollment assistance
- An updated calendar of food distribution events across the County

Some locations may require appointments or have limited supplies, so it's best to check the online listings or call ahead before visiting.

You can also explore the [Food Assistance Resources Map](#): an interactive, searchable tool showing more than 100 food distribution sites across Montgomery County. Filter by location, accessibility, and type of assistance to find what works best for you and your family.

Need information in another language? [OFSR's Food Assistance Flowchart](#) is available in English, Spanish, Amharic, Chinese, French, Korean, and Vietnamese.

Special Support for Federal Workers and Contractors

The [Capital Area Food Bank](#) offers free weekly distributions for federal employees and contractors. These new food distributions will offer boxes of shelf-stable pantry items and fresh produce for the duration of the shutdown. Visit the [Capital Area Food Bank website](#) for distribution dates and times.

Please bring a government-issued ID (employee or contractor) to receive food.

Support for Families

Families with students in Montgomery County Public Schools may be eligible for [Free and Reduced-price Meals](#). Applications are accepted year-round for families experiencing income changes.

Help Navigating Resources

If you need help finding food or other assistance programs:

- Call 311 for non-emergency County services
- Montgomery County Food Council Food Resource Specialists: (301) 818-3614
- DHHS Navigation Team: (240) 773-8265

You can also connect with programs through the [Office of Food Security and Response \(OFSR\)](#), including [Nutrition Benefits Outreach](#) and [Food as Medicine](#) initiatives that partner with local organizations to improve access to healthy food.

Other County Support Services

In addition to food resources, Montgomery County offers programs through:

- [Mobilize Montgomery](#): Workforce training, job fairs, and financial assistance for job seekers
- [LOCATE: Child Care](#): Free, personalized help finding childcare that fits your family's needs

At Ride On, we're proud to be part of a community that cares. Ride On has routes that travel to many of the above-mentioned food distribution sites for free under our Zero Fare policy. To find a route, visit [RideOnBus.com](#) or map your trip with the [Ride On Real Time](#) application or the [Ride On Trip Planner](#) app, available in mobile and desktop versions.

If you or someone you know needs support, please reach out — help is available. To learn more about these and other County services, visit [MontgomeryCountyMD.gov](#) or call 311 today.

Limited Series: A Closer Look at Ride On's New Ride On Reminders Campaign

MCDOT Ride On has launched a new campaign focused on reminding riders of appropriate and inappropriate behavior when aboard a public transit system. Dubbed "[Ride On Reminders](#)" this campaign includes messaging that encourages riders to keep the peace, refrain from tobacco, cannabis, and alcohol consumption, and respect others' space in a public location. Messages depicting this campaign have been featured on our [Twitter](#), [Facebook](#), [Instagram](#), and [Bluesky](#) accounts and can be seen on bus cards and shelter ads across the county.

This campaign is based on the Transit Passenger Bill of Rights, a code of conduct that is posted on all Ride On buses. The Transit Passenger Bill of Rights is a crucial document that outlines the rights and responsibilities of passengers using public transportation. This bill ensures that all passengers receive fair and equitable treatment while traveling, promoting a safe, reliable, and comfortable transit experience. It serves as a guideline for transit agencies to maintain high standards of service and for passengers to understand what they can expect, and what is expected of them, during their journey.

"It's a Bus - Not A Conference Call!"

The third message in our series is "It's a Bus - Not a Conference Call!" Ride On would like to remind riders to please keep phone calls to a minimum while on the bus. If you must take a call, please keep it short and keep your voice level low as to minimize disturbance to other passengers and, most importantly, bus operators.

Montgomery County Department of Transportation Announces the Return of Decorated Winter Holiday 'Flash Lights' Buses

The Montgomery County Department of Transportation (MCDOT) is returning “Flash Lights” buses for the winter holiday season. People can ride on one of the [five decorated Flash Bus Rapid Transit \(BRT\)](#) buses running along Colesville Road/Columbia Pike (US 29) throughout December. The buses feature colorful winter lights around the bus windows and a neon sign reading “Happy Holidays” along the side.

The Flash Lights holiday buses will debut on Saturday, Nov. 22 at the Silver Spring Thanksgiving parade with a Flash bus decorated in a Snowman theme and featuring snow showers. Following the parade, the lighted buses will begin circulating on the US 29 route in late November.

MCDOT is encouraging everyone to snap a picture of a Flash Lights bus when they see one and post it on their [X](#), [Bluesky](#), [Instagram](#), [Threads](#) or [Facebook](#) account and tag @MCDOTNow for a chance to win a \$35 gift card in a weekly, random draw. The contest will run from Monday, Dec. 1 until Monday, Jan. 5, 2025.

The [decorated Flash buses](#) run along Colesville Rd/Columbia Pike (U.S. 29) between the Silver Spring Transit Center in Downtown Silver Spring and Briggs Chaney every 7-15 minutes. Flash service extends to Burtonsville during weekday rush hours.

To get to Bethesda Row, take Ride On Route [36](#).

Careers in Transit with Ride On: More Than Just Bus Drivers

When most people think of public transit, the first image that comes to mind is a bus driver behind the wheel, keeping our communities connected and our region moving. But behind every Ride On bus on the road is a diverse team of professionals working together to make Montgomery County's transit system one of the most reliable and community-centered in the nation.

In honor of the first annual APTA National Transit Career Day, we're highlighting the many career paths at Ride On that make public transportation possible beyond the driver's seat.

Operations and Scheduling

Every Ride On trip begins long before the bus doors open. Our operations planners and schedulers carefully design routes, adjust timetables, and analyze ridership

data to ensure buses run efficiently and meet community needs. These professionals balance service reliability with real-world challenges like traffic congestion, construction, and evolving commuter patterns.

Fleet and Maintenance Teams

Keeping a fleet of over 400 buses running safely and smoothly requires the expertise of skilled mechanics, technicians, and fleet managers. From routine maintenance to advanced diagnostics on electric and hybrid vehicles, Ride On's maintenance team is constantly innovating as the agency transitions to a more sustainable future.

Our technicians don't just turn wrenches, they work with cutting-edge vehicle technology, helping Montgomery County reduce emissions and meet its climate goals.

Technology and Innovation

Transit is evolving and so is Ride On. Our data analysts, IT professionals, and software engineers develop tools that improve trip planning and enhance operational efficiency. From GPS tracking and real-time arrival apps like the Ride On Trip Planning app to data dashboards that inform strategic decisions, technology teams are helping shape the future of transit in Montgomery County.

Safety, Training, and Security

Safety is at the heart of Ride On's mission. Our training instructors and safety officers ensure that every employee from new hires to veteran drivers upholds the highest standards of safety and service through training. These professionals also help ensure compliance, creating a supportive environment for more than 900 employees.

Marketing and Community Outreach

Ride On is deeply rooted in the community. Our marketing and outreach team helps promote new services, foster partnerships, and engage with local organizations to increase awareness about public transit benefits. Through public events, school partnerships, and initiatives like Ride On's Zero-Fare programs, these professionals help ensure everyone knows how to get where they need to go safely, sustainably, and affordably.

A Career That Moves You Forward

Whether you're passionate about sustainability, technology, operations, or community engagement, a career in transit offers purpose, growth, and the chance to make a real difference every day. Ride On is more than buses; it's people,

innovation, and teamwork working toward one goal: keeping Montgomery County moving.

Of Note

Ride On's Gaithersburg Depot Holds International Day Potluck Lunch

Employees at the Gaithersburg Ride On Bus Depot, joined by Councilmembers Andrew Friedson and Dawn Luedtke, held a potluck luncheon on Friday, November 14 to celebrate International Day with food from over 50 different Countries. Ride On is proud of our diverse workforce!

Ride Metrobus Free with the Youth Cruiser SmarTrip, Senior SmarTrip, and Disabled Rider Reduced Fare Cards

Montgomery County works in partnership with WMATA to ensure that students, seniors, and those with disabilities are able to ride for free within the County with a Youth Cruiser SmarTrip, Senior SmarTrip, and reduced fare card for those with disabilities. The Youth Cruiser cards are available all MCPS middle and high schools, some MCPS elementary schools, and many private schools in Montgomery County. Youth Cruiser SmarTrip cards and Senior SmarTrip cards are available for free at all as well as at [County libraries](#), [Montgomery County Division of Treasury - Rockville](#), the [Silver Spring TRiPS store](#), and the [Mobile Commuter Store](#). Residents must bring proof of age and residency to register for their card.

For more information about Youth Cruiser SmarTrip cards, visit [Youth Cruiser SmarTrip Card - Montgomery County Division of Transit Services](#). Ride On Gratitude Corner

In light of the coming season of thankfulness, Ride On is launching the "Gratitude Corner", a monthly of-note feature that highlights displays of gratitude shown to Ride On, its operators, and employees.

This month's piece of gratitude comes from a Ride On rider, a federal worker currently not receiving pay, who reached out to thank a driver for going out of their way to stop the bus and pick them up, making their day in an otherwise rough time. We're proud of our exceptional operators!

"I was riding on my bike to the bus stop and the 78 passed me on Matney northbound to Clopper on its way to Shady Grove. I thought I missed it; a slight annoyance, but I could just wait for the 71 5-10 minutes later. The bus driver apparently noticed me, stopped the bus, and waited for me to scamper over and on to the bus. He didn't need to do that, but the fact that he recognized and remembered me, and did such a friendly, generous thing that no one could've found fault with him not doing really made my day. I'm working for the federal government without pay right now and things are tense and feel hopeless. Maybe

this is silly, but this gave me a little hope. I thanked him, but if there's a way to give him some extra recognition, I couldn't recommend that more."

Transit Trivia!

Test your familiarity with Ride On's routes, services, and more with our transit trivia! The answer will be in next month's edition of our newsletter so make sure you tune in next month to see if you answered correctly!

Question:

What is the name of the initiative that focuses on redesigning Ride On routes for efficiency and reliability?

1. Ride On Reimagined
2. GSTN Great Seneca Transit Network
3. Metro Accessibility
4. Youth Cruiser SmarTrip Card

Last month's question:

Which Flash Bus goes to Burtonsville?

1. Orange
2. Blue
3. Green
4. Red

Answer: (2) Blue
