### Timetable

#### HOW TO READ A TIMETABLE

- **Find the schedule for the day of the week and time of day you will travel.**
- **Find the timepoints closest to your origin and destination.** The timepoints are shown on the map and indicate the time the bus is scheduled to be at the particular location. Your trip stop may be between timepoints.
- **Read down the column to see the time when the bus will be at the given timepoint.** Read the times across to the right to see when the trip reaches other timepoints. If no time is shown, that trip does not serve that timepoint.

#### HOW TO READ A BUS

- **Check schedule for trip nearest your location.** Wait at the bus and when the bus comes within several minutes of your scheduled arrival. Have exact fare ready (drivers do not make change).
- **All trips are listed on a public timetable.** If you are unfamiliar with your stop, or stand and ride the line near the front of the bus and ask the bus driver to notify you when your stop is approaching.
- **Ask the bus driver if you are not sure if the bus will stop at your stop.**
- **If you have internet access (at home or work), it may be easier for you to use an online trip planner rather than a paper timetable.** Be mindful of changes in the schedule, holidays or bad weather.
- **If you are unfamiliar with your stop, sit or stand near the front of the bus and ask the bus driver to notify you when your stop is approaching.**
- **Please observe the following rules for all patrons:**
  - No eating, drinking, or smoking.
  - Electronic devices may be played with earphones set at low level.
  - Under any program or activity, for more information or to file a complaint, see the website
  - Under the Rehabilitation Act of 1973 and Section 504 of the Rehabilitation Act of 1973, be excluded from the participation in, be denied the benefits of, or be otherwise subjected to discrimination on the basis of disability.
