Our thoughts are with those affected by the coronavirus outbreak in the U.S. and around the globe. We are closely monitoring the evolving impact and are taking the necessary measures to ensure the health and safety of our employees and customers, while also maintaining the highest quality of service. Please stay healthy and safe!

To help prevent the spread of COVID-19, Ride On has implemented the following:

■ **Face coverings are required at all times.**

NOTE: According to the CDC, babies and toddlers under age 2 should not wear face masks.

■ **Free fares on all buses.**

(Fare collection has temporarily been suspended on all services.)

■ **Board through the rear doors unless the ramp is needed for a disability or stroller.**

■ **Social distancing: All passengers must maintain six (6) feet of social distancing on the buses between yourself and others. Additionally, there will be a capacity limit of 15 to 20 passengers on 30- and 40-foot buses respectively.**

■ **Every bus is sanitized every night using a commercial strength anti-viral disinfectant cleaner.**

■ **Bus filters and ventilation systems are sanitized each night to improve bus air quality.**

Real time bus locations can be viewed using the map at rideon.app/busmap to see if a bus is approaching your stop (not available by specific route).
