### How to Read a Timetable

- **HOW TO READ A TIMETABLE**

  - Find the timepoints closest to your origin and destination. The timepoints are shown on the route map and indicate the time the bus is scheduled to be at that particular location. Your nearest bus stop may be between timepoints.
  - Read down the column to see the times when a trip will be at the given timepoint. Read the times closest to the right to see when the trip reaches other timepoints.

### How to Ride a Bus

- **Check schedule for timepoint nearest your location. Wait at the blue and white RIDE ON bus stop sign. Arrive several minutes before scheduled time. Have exact fare ready (drivers do not make change).**

  - **Not all stops are listed on a public timetable.**
  - **If you are unfamiliar with your stop, sit or stand behind the line near the front of the bus and ask the bus driver to notify you when your stop is approaching.**
  - **Ask the bus driver if you are not sure if the bus goes to your stop.**
  - **If you have internet access (at home or somewhere else, such as a public library), it may be easier to view the online trip planner rather than a paper timetable.**
  - **Be mindful of changes in the schedule, the weather, and construction delays.**
  - **Please observe the following rules for all patrons:**

    - No eating, drinking, or smoking.
    - Electronic devices may be played with earphones set at low level.
    - Children under age 5. Local Bus Transfer with SmarTrip®. Children 3 to 18 with a Youth Crafter SmarTrip® or Senior ID card.
    - Bus fare is $1.50. SmarTrip® cards are required for the youth and senior rides. SmarTrip® cards are available at the transit center, or online at SmarTrip® website.
