HOW TO READ A TIMETABLE

• Read down the column to see the times when a trip will be at the given timepoint. Read the timepoints from bottom to top.

• Find the schedule for the day of the week and the direction you wish to ride.

• Find the timepoints closest to your origin and destination. The timepoints are shown on the route map and indicate the time the bus is scheduled to be at the particular location. Your nearest bus stop may not be between timepoints.

• If you have internet access (at home or somewhere else, such as a public library), you can access the schedule on our website.

• Electronic devices may be played with earphones set to a low volume.

• Not all stops are listed on a public timetable. See route map and indicate the time the bus is scheduled to be at the particular location. Your nearest bus stop may not be between timepoints.

• If you miss your bus, bus services may be delayed due to traffic or weather.

• Ride On, buses may be delayed due to traffic or weather.

• Before boarding, have exact fare ready (drivers do not make change).

• Please observe the following rules for all riders: No eating, drinking, or smoking.

• MetroAccess program allows for people with certified disabilities to ride on a Metrobus with the assistance of a certified attendant.

• Anytime a Youth Cruiser SmarTrip® Card or student ID is used, rides are free. Youth aged 5 to 18 with a valid Metro ID must pay full fare. Children under age 5 ride free. A valid Youth or Student ID is required to ride for free. For more information about Metro Youth Reduced Fare, please visit Metrobus.com.

Guaranteed Ride Home

When you take Metrobus, Metrorail, and Ride On to work, you are eligible to participate in the full Commuter Connections Guaranteed Ride Home Program. To register and to receive program details call 301-770-POOL (7665).

MetroAccess

Alternative paratransit service to this Ride On route for people with certified disabilities is available. Call MetroAccess at 301-562-9360.
HOW TO READ A TIMETABLE

Find the schedule for the day of the week and the direction you wish to ride.

Find the timetables closest to your origin and destination. The timetables are shown on the route map and indicate the time the bus is scheduled to be at the particular location. Your nearest bus stop may be between timepoints.

Read down the column to see the times when a trip will be at the given timepoint. Read the times across to the right to see when the trip reaches other timepoints.

• Read down the column to see the times when a trip will be at the given timepoint.
• Find the timepoints closest to your origin and destination. The timetables are shown on the route map and indicate the time the bus is scheduled to be at the particular location.
• Your nearest bus stop may be between timepoints.
• Find the schedule for the day of the week and the direction you wish to ride.
