HOW TO READ A TIMETABLE
- Find the schedule for the day of the week and the direction you wish to ride.
- Find the timepoints closest to your origin and destination. The timepoints are shown on the
  route map and indicate the time the bus is scheduled to arrive at the particular location. Your
  nearest bus stop may be between timepoints.
- Read down in a column to see the times when a trip will be at the given timepoint. Read the
times across to see the times when the stop
  reaches other timepoints. If no time is shown, that trip does not serve that timepoint.
**HOE TO RIDE A BUS**

Check kiosk for information nearest your location. Wait at the blue and white **RIDE ON** bus stop sign. Arrive several minutes before scheduled time. Have exact fare ready (drivers do not make change).

- Not all stops are listed on a public timetable.
- If you’re unfamiliar with your stop, or stand behind the line near the front of the bus and ask the bus driver to notify you when your stop is approaching.
- Ask the bus driver if you are not sure if the bus goes for your stop.
- If you have internet access (at home or somewhere else, such as a public library), stand behind the line near the front of the bus and ask the bus driver to notify you when your stop is approaching.
- Be mindful of changes in the schedule, for holidays or bad weather.
- Please observe the following rules for all patrons: No eating, drinking, or smoking. Electronic devices may be played with without earphone set at low level.
