### Guarante Ride Home

- **Find the schedule for the day of the week and the direction you wish to ride.**
- **Find the timepoints closest to your origin and destination.** The timepoints are shown on the route map and the timecolumn indicates the trip scheduled to be at that particular location. Your nearest bus stop may be between timepoints.
- **Read the column down to see the times when a trip will be at the given timepoint. Read the timepoints closest to your bus stop as well as the other timepoints. If no time is shown, that trip does not serve that timepoint.**
