### HOW TO RIDE A BUS

Check schedule for timepoint nearest your location. Wait at the blue and white stop sign. Arrive several minutes before scheduled time. Have exact fare ready (drivers do not make change).

- **All stops** are listed on a public timetable.
- If you are unfamiliar with your stop, sit or stand behind the line near the front of the bus and ask the bus driver to notify you when your stop is approaching.

**Ask the bus driver if you are not sure if the bus goes to your stop.**

If you have internet access (at home or somewhere else, such as a public library), it may be easier to use an online trip planner rather than a paper timetable.

Be mindful of changes in the schedule, your stop, and bad weather.

Please observe the following rules for all passengers:
- No eating, drinking, or smoking.
- Pets may be carried if they are on a leash and are well-behaved.
