### How to Read a Timetable

- **How to Work a Trip:**
  - Find the timepoints closest to your origin and destination. The timetables are shown on the route map and indicate the time the bus is scheduled to be at the particular location. Your nearest bus stop may be between timepoints. If no time is shown, the bus is not scheduled to be at that particular timepoint. The trip does not serve that timepoint.
  - Read the timetable to find the trip you need. The times for each trip are shown on the route map. Use the route map to determine the time of the trip.
