HOW TO READ A TIMETABLE

• Find the schedule for the day of the week and the direction you wish to ride.

• Find the timetables closest to your origin and destination. The timetables are shown on the route map and indicate the time the bus is scheduled to be at the particular location. Your nearest bus stop may be between timepoints.

• Read down the column to see the times when a trip will be at the given timepoint. Read the times across to the right when to see if the trip reaches other timepoints. If no time is shown, that trip does not serve that timepoint.
