Please arrive at your stop several minutes ahead of your bus’ scheduled arrival. Since safe service is a priority at Ride On, buses may be delayed due to traffic or weather.

SPECIAL NOTES ABOUT THIS ROUTE
Because this route is operated by a contractor, the bus cannot carry bicycles. Also, Ride On Real Time, the application that tells you the arrival of your bus, is not available for this route at this time.

HOW TO RIDE A BUS

Check schedule for timepoint nearest your location. Wait at the blue and white RIDENON bus stop sign. Arrive several minutes before scheduled time. Have exact fare ready (drivers do not make change).

• Not all stops are listed on a public timetable.

• If you are unfamiliar with your stop, sit or stand behind the line near the front of the bus and ask the bus driver to notify you when your stop is approaching.

• Ask the bus driver if you are not sure if the bus goes to your stop.

• If you have internet access (at home or somewhere else, such as a public library), it may be easier for you to use an online trip planner rather than a paper timetable.

• Be mindful of changes in the schedule, for holidays or bad weather.

• Please observe the following rules for all patrons: No eating, drinking, or smoking.

• Electronic devices may be played with earphones set at low level.

HOW TO READ A TIMETABLE

• Read down the column to see the times when the trip reaches other timepoints. If no time is shown, that trip does not serve that timepoint.

• Find the schedule for the day of the week and times across to the right to see when the trip will be at the given timepoint. Read the destination. The timepoints are shown on the route map and indicate the time the bus is available. Call MetroAccess at 301-770-POOL(7665).
