Commercial Use & Occupancy Inspections

Montgomery County Commercial Use & Occupancy inspections are performed by separate inspectors. All inspections must be approved prior to scheduling the Building/Mechanical inspection.

Inspection requests made before 12 p.m. (noon) will be scheduled for the next working day, and requests made after 12 p.m. will be scheduled within two working days. When scheduling inspections within multi-story buildings, please provide contact information and the floor and the suite number.

The permit, approved plans and all attached notes, comments and/or inspection reports shall be kept on the site and available for immediate review until the project has received final DPS approval. The permit must be conspicuously posted.

The following is a list of inspection types available for scheduling, a description of the inspection type and responsibilities of the applicant/person scheduling the inspection.

The property must be inspected and approved by the Fire Marshal, and by the building, mechanical and electrical inspectors. If the use is permitted by special exception, a zoning inspection is also required.

Use and Occupancy inspection requests are not accepted through the DPS website. To schedule your Use and Occupancy inspections, please call 311.
