2022 Early Voting: Site Selection Criteria

➢ House Bill 745 – Criteria (Bill) enacted in the 2021 General Assembly

“A local board shall take into account the following factors when determining the location of an early voting center:

(I) Accessibility of the early voting center to historically disenfranchised communities, including cultural groups, ethnic groups, and minority groups;

(II) Proximity of the early voting center to dense concentrations of voters;

(III) Accessibility of the early voting center by public transportation;

(IV) Ensuring equitable distribution of early voting centers throughout the county; and

(V) Maximizing voter participation, including through the use of community centers and public gathering places as locations for early voting centers.”
