2024 Election Cycle Recruitment Conclusion

As the Recruitment Team completed processing service stipends, we are wrapping up the 2024 election cycle and begin to prepare for the 2026 Gubernatorial Elections. This includes a variety of task such as evaluation of our current program to identify areas of success and areas for improvement. The tasks will include reviewing all the feedback we have received from the Election Worker Community during both 2024 Presidential Primary and General elections.

Concluding the 2024 Election cycle also means saying farewell to our Election Worker Recruiters. Most of our recruiters come to the Board of Elections as temporary staff and have been with us since January 2024. The Recruitment Team has worked tirelessly to assist volunteers to sign up and serve in the elections. We appreciate their hard work and dedication.
