MONTGOMERY COUNTY MARYLAND

Debt Service Program

(Issues Through June 30, 2021)

Prepared by the
DEPARTMENT OF FINANCE
Division of the Controller
101 Monroe Street
Rockville, Maryland 20850
240-777-8820

Fiscal Year 2021 (With Debt Service Schedules for Fiscal Year 2022)

A More Equitable and Inclusive Montgomery County

Man ELFICH

Thriving Youth and Families

Children need great schools, supportive families, and caring communities to help them succeed in life. We can give them the start they need by providing adequate funding for public schools, access to affordable early childhood education and expanded high school options, and support for programs that relieve stress on families through increased access to affordable housing and better-paying jobs.

A Growing Economy

A healthy business community is essential to our success. We will reinvigorate the county's direct involvement in economic activities by re-examining our regulations to make sure they are sensible, fair, and efficient; opening support centers that help both new and existing businesses; and developing an incubator and innovation climate to help local entrepreneurs bring their ideas into the world.

A Greener County

We recognize the urgency of global warming and will take concrete steps to address climate change. County government has committed to zero Greenhouse Gas emissions by 2035, an ambitious – but achievable – target. We will reduce our footprint by pursuing clean energy, energy efficiency, enhanced building design, reduction of waste, and developing a better transit system for our residents.

Easier Commutes

Moving people and goods more efficiently is an economic imperative and is essential to our quality of life. We will reduce traffic congestion by improving transit options, supporting Metro, encouraging telecommuting and implementing common-sense road improvements.

A More Affordable and Welcoming County

We will focus on initiatives that make Montgomery County a place where all residents can pursue their dreams regardless of race, ethnicity, age or economic circumstances.

Safe Neighborhoods

We will address crime and pedestrian safety issues and seek input from communities across the county on ways to address these issues. We plan to enhance opportunities for walking, biking, and creating neighborhood gathering places.

Effective, Sustainable Government

We will partner with county employees to make County Government more cost-effective and to deliver services more efficiently and responsively.

INTRODUCTION

Montgomery County Government is authorized by State law and/or County Charter to issue debt to finance capital projects. Consistent with County fiscal policy, the County issues debt to finance a major portion of the construction of long-term additions or improvements to the County's publicly-owned infrastructure. The County's budget and fiscal plan for these improvements is known as the Capital Improvements Program (CIP). Bonds are repaid to bondholders with a series of principal and interest payments over a period of years, known as debt service.

This booklet addresses the County's long-term debt. Components of Montgomery County long-term debt are its general obligation bonds, variable rate demand obligations, bond anticipation notes, revenue bonds, lease revenue bonds, other obligations, certificates of participation, taxable limited obligation certificates, notes payable, and equipment notes issued by the County.

General Obligation Bonds

County general obligation bonds are secured by the full faith and credit, and unlimited taxing power of the County. Bonds are issued in serial maturities, maturing in 1 to 20 years, normally with five percent of the principal retired each year. This practice produces equal annual payments of principal over the life of the bond issue and declining annual payments of interest on the outstanding bonds. The Charter limits the term of any bond to 30 years.

General obligation bond and variable rate demand obligations ("VRDOs") proceeds are used to provide funds to finance and refinance capital projects of the County described in the County's Capital Budget. These capital projects are divided into project categories. All bond proceeds must be used for the purposes of that project category. The project categories are as follows: General County, Roads and Storm Drainage, Parks, Public Schools, Montgomery College, Mass Transit, Consolidated Fire Tax District, and Public Housing.

Variable Rate Demand Obligations

VRDOs are debt instruments that represent borrowed funds that are payable on demand and accrue interest based on prevailing short-term money market rates. VRDOs are general obligations of the County and are, therefore, secured by an irrevocable pledge of the full faith and credit and unlimited taxing power of the County. VRDOs are multi-modal instruments that may bear interest in a Daily Mode, a Weekly Mode, a Commercial Paper Mode, a Term Rate Mode or a Fixed Rate Mode. The County's VRDOs were issued in the Daily Mode and currently bear interest at the Daily Rate, which is established by the remarketing agents and re-sets daily. Interest on these obligations is payable on the first business day of each month. Subject to certain terms and conditions described in the Note Orders for each series, the County may effect a change in mode with respect to the obligations. VRDOs are subject to optional tender upon notice from the owners of the obligations. Also, VRDOs are subject to mandatory tender and purchase as provided in the Note Orders.

Bond Anticipation Notes

The County utilizes Bond Anticipation Notes (BANS) and/or commercial paper for short-term capital financing of capital expenditures with the expectation that the principal amount will be refunded with the proceeds of long-term general obligation bonds. BANS/commercial paper is issued at varying maturities to a maximum of 270 days. The County reissues the notes upon

maturity until they are refinanced with long-term general obligation bonds. Because the purpose of the program is to pay BANS with general obligation bonds, only the general obligation bond information is presented in this booklet.

Revenue Bonds

Revenue bonds are authorized by the County to finance specific revenue producing projects such as parking garages, solid waste facilities and liquor control. Debt service is to be paid from pledged revenues received in connection with the projects. Proceeds from revenue bonds may be applied only to the cost of projects for which they are authorized. Revenue bonds are considered separate from general obligation debt, and do not constitute a pledge of the full faith and credit or unlimited taxing power of the County.

County revenue bonds were issued by the Parking Districts and are supported by parking fees and fines, together with parking district property taxes; revenue bonds were issued for the County's Department of Liquor Control (now Alcohol Beverage Services), and its debt service is paid from the revenues of liquor sales. Water Quality Protection Charge Revenue (WQPC) Bonds were issued for the County's Department of Environmental Protection and are supported by the WQPC and Carryout Bag Tax revenues. In December 2019, the County entered into two drawdown loans with the Maryland Water Quality Financing Administration, approximating \$50.7 million. The loans will be secured by Water Quality Protection Charge revenues and proceeds will fund stormwater management projects.

Lease Revenue Bonds

Lease Revenue Bonds were authorized by the County to finance its Metrorail garage projects. These bonds were issued specifically for the planning, design, construction and placing into commercial operation, garages at the Shady Grove, Grosvenor and Glenmont Metrorail Stations. The County has leased these garage projects to the Washington Metropolitan Area Transit Authority (WMATA). Therefore, the Lease Revenue Bonds are not a debt of the County within the meaning of any constitutional, compact, charter or statutory debt limit or restriction. Neither the faith and credit nor the taxing power of the County is pledged to the payment of the bonds.

Other Obligations

The County has entered into various lease agreements as lessee with the Montgomery County Revenue Authority (MCRA) for financing the construction or acquisition of certain County facilities. Lease agreements with MCRA relate to the construction of the Montgomery County Conference Center, Germantown Indoor Swim Center Project and the Human Services Headquarters Project. With regards to the Montgomery County Conference Center, ownership will transfer to the County at the end of the MCRA lease term.

Certificates of Participation

Certificates of Participation (COPS) are authorized by the County to finance equipment acquisitions such as public transportation and fire and rescue programs. In September 2016, COPS were authorized by the County to finance costs of property acquisition in the Montgomery College Capital Improvements Program. The certificates represent proportionate interest in a Conditional Purchase Agreement (CPA) between the purchaser (the County) and the seller (the bank). The CPA requires the County to make periodic purchase installments in amounts sufficient to pay the debt service until the County pays the entire price necessary to acquire the equipment.

The County Council is under no obligation to make any appropriation with respect to the CPA, therefore, it is not a general obligation of the County and does not constitute a pledge of the full faith and credit or unlimited taxing power of the County.

In October 2020, the County issued \$95,360,000 in Certificate of Participation, Series 2020 A to finance and refinance the acquisition, construction and equipping of certain real and personal property. The County also issued Series B and Series C for \$27,555,000 and \$2,975,000 respectively, to provide for the prepayment of certain outstanding taxable and tax-exempt lease obligations under a Master Lease Agreement between the County and an affiliate of a financial institution. Series C also funded the acquisition of certain personal property.

Taxable Limited Obligation Certificates

Taxable Limited Obligation Certificates (TLOC) are authorized by the County to finance the Montgomery Housing Initiative Program to promote a broad range of housing opportunities in the County. The certificates represent proportionate interests in a Funding Agreement between the County and U.S. Bank National Association. The Funding Agreement is not a general obligation of the County and shall never constitute an indebtedness of the County within the meaning of any constitutional or statutory limitation or charge against the general credit or taxing power of the County.

Notes Payable

Notes Payable represents various unique long-term debt transactions to include HUD Loan, WSSC Promissory Note, Energy Performance Leases and MEDCO Incubator Loan. The HUD Loan was authorized by the County to acquire twenty-one housing units to provide affordable housing for income qualified persons. After a loan agreement was signed between the County and HUD, the County Council approved the County to disburse and re-loan the proceeds to HOC. HOC will repay the County, through the Housing Initiative Special Revenue Fund, principal with interest over a twenty-year period. In 2007, the County entered into a Purchase and Sale Contract with Washington Suburban Sanitary Commission (WSSC) to acquire property by signing a promissory note. In April 2017, the County restated the Promissory Note with WSSC, which revised the repayment terms commencing in FY19, ending in FY28. The interest rate of 4.43% remained unchanged. On January 13, 2021, the County prepaid the Promissory Note using the proceeds from the sale of the property to a developer. Energy Performance Leases were authorized by the County to finance energy efficient projects within the County. Principal and interest will be paid over a twenty-year period with a semi-annual Federal Subsidy associated with interest payments. In 2018, the County entered into a loan agreement with PNC Bank to finance the County's Rockville Innovation Center and National Cybersecurity Center of Excellence incubator projects.

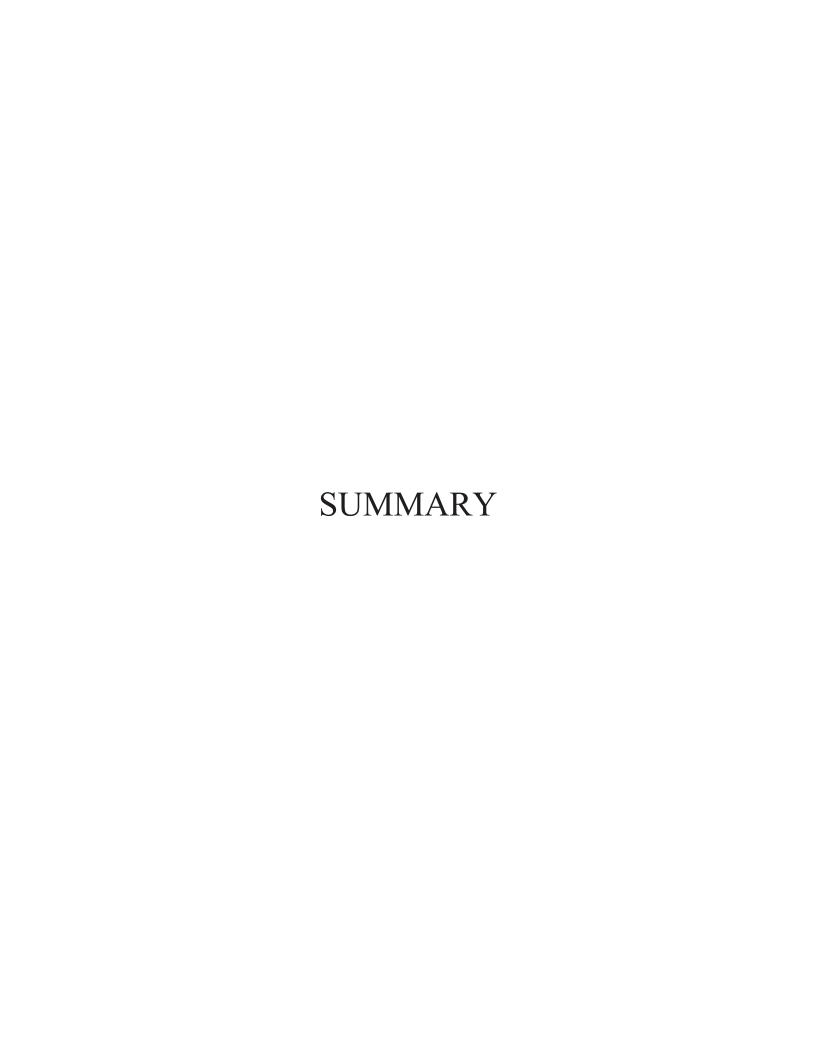

Equipment Notes

Equipment Notes and Master Leases are authorized by the County to finance equipment acquisitions for various County programs. The Equipment Notes represent proportionate interests in a funding agreement between the County and Chase Equipment Finance, Inc. The Master Lease arrangements provide that proceeds are to be held by a trustee and disbursed to vendors. If assets are acquired prior to the note agreement, the trustee reimburses the County.

^{*}Due to a trust agreement between the County and U.S. Bank, debt service requires quarterly payments; Water Quality Protection does not include the quarterly interest payments for Water Quality Protection Loans with Maryland Water Quality Financing Administration. The interest payments are based on actaul drawdown.

^{**} VRDO interest is variable due to daily interest reset, interest estimates is not used in the table.

^{***} COPs do not include outstanding for MC college, which is paid directly by the College, no cash outlay from the County.

NOTES

Subsequent Events

On July 29, 2021, the County renewed the Commercial Paper credit agreement with JP Morgan Chase Bank to extend the expiration date to August 31, 2023.

On August 17, 2021, the Housing Opportunities Commission of Montgomery County issued Limited Obligation Bonds Series 2021 in the amount of \$50.0 million. The proceeds will be used for a Housing Production Fund that will make loans for the construction, rehabilitation and equipping of affordable residential rental housing. The County has entered into a Funding Agreement with the Commission in which the County is required to make Contract Payments in amounts sufficient to pay the principal and interest on these bonds. Contract Payments are subject in each year to appropriation by the County Council.

On September 8, 2021, the County issued Consolidated Public Improvement Project and Refunding Bonds of 2021, Series A in the amount of \$335,115,000. The new money portion of these General Obligation Bonds in the amount of \$310.0 million, refinanced certain commercial paper bond anticipation notes, the proceeds of which financed certain capital projects in the County. Refunding Bonds in the amount of \$25,115,000 refunded a prior issuance for debt service savings.

On November 15, 2021, the County issued Taxable Limited Obligation Certificates Series 2021A in the amount of \$57,410,000 to finance certain projects of Montgomery Housing Initiative established by the County to promote a broad range of housing opportunities in the County. The County also issued Taxable Limited Obligation Refunding Certificates Series 2021B in the amount of \$41,345,000 to refund prior issuances for debt service savings.

On November 17, 2021, the County closed the revolving line of credit with PNC Bank, N. A. in the amount of \$150 million. The County had not drawn any advances against the line of credit.

On December 16, 2021, the Montgomery County Revenue Authority (Authority) issued \$15,940,000 in Series 2021, Lease Revenue Bonds for the Crossvines Project. The proceeds will finance a portion of the cost of developing, constructing, and equipping a custom winery, education/events center and related facilities located in Poolesville, Maryland. The County has entered into a Lease Agreement with the Authority to make lease payments sufficient to pay principal and interest payments on the Bonds. Lease payments are subject in each year to appropriation by the County Council.

APPENDIX

MONTGOMERY COUNTY, MARYLAND GENERAL OBLIGATION BONDS ISSUED SINCE 1981

Montgomery County, Maryland has issued a net amount of \$7,349,753,054 in general obligation (G.O.) bonds since 1981 as detailed below.
